RE: 7054 and 7056 Carroll Avenue, Takoma Park, Maryland

Dear Ms. Heiler,

The Takoma Park Façade Advisory Board met on June 9, 2020 to review the changes in the design proposal for 7054 and 7056 Carroll Avenue, Takoma Park, Maryland. The Board reviewed the previous proposal in February 2020. The proposal is to be considered by the Historic Preservation Commission.

Architect, Rick Vitullo, and property owner, Bobbi Kittner, presented the modified proposal for a replacement of the fire escape on the rear of the building.

The Takoma Park Façade Advisory Board passed the following resolution:

**The Board voted to approve the application for a concrete block wall with glass block inserts, capped with an aluminum cap to match the color of the new steel structure, and the color of the parking will match the main building.**

Thank you for the efforts of the Commission to preserve the unique architectural character of our historic business district. If you have questions regarding the Board's action, please call me at 301-891-7205.

Sincerely,
