Members recommended that the following be included in the report to the Takoma Park City Council, September:

- Actual participation by Members in outreach events to the public;
- Update on interagency partnerships; and,
- Plans for the EPC refrigerator magnet.

Given the results of the poll for the EPC's monthly meeting night, members selected the third Thursday. The next meeting will be September 15, 2022.

During Library construction may need to be virtual.

The meeting adjourned @ 8:20 pm.
