RE: 7000 Carroll Avenue

Dear Mr. Kirwan,

The Takoma Park Facade Advisory Board met on November 4, 2016, to review a Historic Area Work Permit application for 7000 Carroll Avenue, Takoma Park, Maryland. The HAWP proposal, presented by John Stone, representative for the property owner, is to replace the original historic windows. The proposal is to be considered by the Historic Preservation Commission.

The Board unanimously passed the following resolution:

The Board recommends restoration of the original windows and the use of internal storm windows to increase the energy efficiency of the original windows. The Board encouraged the applicant to pursue historic tax credits for the restoration work.

Thank you for the ongoing efforts of the Commission to preserve the unique architectural character of our historic business district. If you have any questions regarding the Board's action, please call me at 301-891-7205.

Sincerely,
