### 1. Call to Order

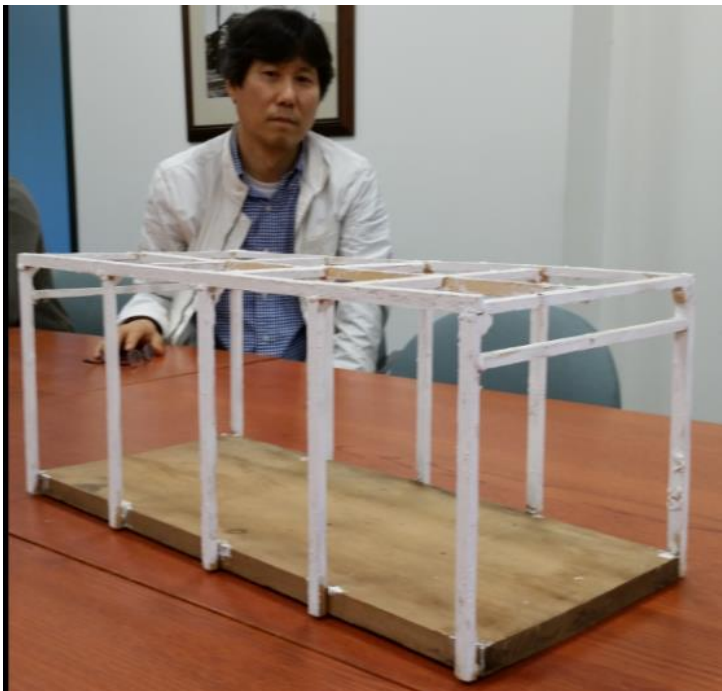

The meeting was called to order at 6:30 p.m.

### 2. New Member: Malcolm Williams

Malcolm Williams, a Ward 6 resident, joined the Board. His appointment is on the consent agenda for Council on May 10<sup>th</sup>. Welcome to Malcolm.

### 3. Concept Review: 7006 Carroll Avenue – Mark’s Kitchen alley, Mark Cho

Mark Cho returned to discuss possibilities of outdoor seating in the alley as a follow up from the April meeting. Mark presented a model of a structure or framework for the alley that could hold hanging plants and public art. It would be a light, wooden structure, possibly movable, without an awning or covering. The alley already has lighting, so Mark has not decided if he wants to add additional lighting or not. The Board approved the concept.

**4. Concept Review: 7212 Carroll Avenue – Manjit Singh, Montessori School**

Manjit Singh presented a plan for a one-story extension of the back of the building, to be used as office space and/or quiet space for the Montessori school. She showed photos of existing conditions and a sketch of an extension of the building to the back fence. None of the planned extension would be visible from the street or the public right-of-way.

**Board action:**

The Board voted to approve the one-story extension of the rear of the building.

**5. Approval of minutes of previous meeting minutes**

The Board decided to delay review of the minutes until the next meeting.

**6. Board Vacancies and Officers**

The Board delayed discussion and vote on new officers and the current board vacancy.

**7. Adjourn**

The meeting was adjourned.
