1. Call to Order

2. Project Reviews

a. 6950 Carroll Avenue – Bank of America signage

Matthew Lambert of AGI, the architectural design firm Bank of America hired to design the signage, submitted a new proposal for signage on the east and west facades of the building.

Mr. Lambert called in to the Board meeting to present the proposal.

The Board voted to approve the signage as proposed for Bank of America at 6950 Carroll Avenue on the east and west facades, with the strong condition that the obscurement of the “Takoma Park Bank” sign on the Carroll Avenue façade be removed within two weeks of installation of the new signage. Without the removal of the obscurement of the “Takoma Park Bank” sign, the Board wants to review the sign proposal again to request smaller signage on the east and west side. In addition, the installation of the east and west façade signs must use the existing holes from previous sign installations.

3. Adjourn
