

Nuclear Free Takoma Park Committee Meeting

April 11, 2022

Agenda

1. Brief update on the April 6, 2022 City Council meeting with the Task Force on Sustainable Banking and Investment on its recommendations;
2. Discussion of making the NFTPC available to the City working group on Boards and Committees (Dyballa, Searcy and Kosituk) who are reviewing the Task Force recommendations specific to (a) keep the NFTPC as a standing committee and (b) resume application and approval of new committee members, (c) streamlining duties and responsibilities including our "informal" agreement for City to self-report purchase orders that need scrutiny of the NFTPC, and (d) make ourselves available to any questions by the Councilmembers with the City working group;
3. Discussion of a new proposed amendment to allow NFTPC to recruit non-resident members (introduced to City by Victor Thuronyi, presently Ward 1);
4. Discussion of next steps, given that the City validates the resumption of NFTPC activities, recruitment, etc. including our next public event(s).
