Dear Friends,

We are finally close to success in getting a **RideOn bus between the TP Rec Center and temporary library on NH Ave and the TP Community Center, new library, Piney Branch Pool, the police station and the municipal building on Maple Ave.**

But as many of you as possible have to say you want it.

Please go to the link and tell them you want the new route. The form will ask you which route you are commenting on 17a and why (plus your name and email. I just did it. It's easy. Thanks a lot. Link:
