

Sustainable Maryland Certified Committee Meeting Agenda  
July 10, 2023 – 7 p.m.

- Open meeting and take attendance.
- Approve the May 2023 Meeting notes.
- Grants, Webinars, and Upcoming Sustainability Trainings relevant to the SMCC.
- Lizz Kleemeir and FONTT
- Setting the agenda timeline for long-term meetings from June to September. The goal is term subcommittees, meeting outlines, methodologies for community partnership and engagement. (ongoing) The last meeting discussed implementing plans that would originate from a high level. For example, focusing on programs like composting and sewage.
- Leadership roles and recruiting new members.
