**CITY OF TAKOMA PARK, MARYLAND**

**ORDINANCE NO. 2007- 58**

**AN ORDINANCE REAFFIRMING AND STRENGTHENING  
THE CITY OF TAKOMA PARK'S IMMIGRATION SANCTUARY LAW**

WHEREAS, Takoma Park has a long and strong tradition of embracing and valuing diversity and respecting the civil and human rights of all residents regardless of their race, ethnicity, national origin, immigration status, gender or sexual orientation; and

WHEREAS, in 1985, as an expression of these values, the Takoma Park City Council passed the City of Refuge Ordinance, which prohibits City employees, including police officers, from cooperating with federal immigration authorities in the enforcement of civil and criminal immigration laws and prohibits City employees from requesting or disclosing information regarding the immigration status of individuals; and

WHEREAS, there still exist gross human rights violations and severe economic conditions in many of the home countries of immigrants in Takoma Park, which have forced millions to leave their countries to protect and provide for their families; and

WHEREAS, Takoma Park is comprised of racially and ethnically diverse individuals, both native born and immigrants, whose collective cultures, backgrounds, and viewpoints join to form a rich community which prides itself on welcoming persons and families of all backgrounds and nationalities; and

WHEREAS, enforcement of immigration laws by the Takoma Park Police Department will discourage immigrant residents from reporting crimes and suspicious activity and cooperating with criminal investigations; and

WHEREAS, Takoma Park is opposed to racial profiling, and granting local police officers the authority to enforce immigration laws may lead to racial profiling; and

WHEREAS, as a matter of public safety, the protection of an individual's citizenship and immigrant status will engender trust and cooperation between law enforcement officials and immigrant communities to aid in crime prevention and solving, and will discourage the threat of immigrant and racial profiling and harassment; and

WHEREAS, most immigrants in Takoma Park are law abiding residents and are themselves often the victims of crime; and

WHEREAS, the Takoma Park Police Department has made it a priority to gain the trust and confidence of the entire community as part of its community policing program; and

WHEREAS, cooperation with or a perception of cooperation with the Federal Bureau of Immigration and Customs Enforcement (ICE) creates a loss of trust and confidence of the immigrant community in the Takoma Park Police; and

WHEREAS, loss of cooperation with the immigrant community threatens the health, safety, and welfare of the entire Takoma Park community; and

WHEREAS, Takoma Park believes that there is no inherent conflict between national security and the preservation of liberty and that government can protect public safety without impairing civil rights and liberties; and

WHEREAS, the due process and equal protection clauses of the 5<sup>th</sup> and 14<sup>th</sup> Amendments to the United States Constitution guarantee certain due process and equal protection rights to all residents of the United States regardless of citizenship or immigration status; and,

WHEREAS, federal immigration policy requires comprehensive reform and neither Maryland nor federal law requires any city to enforce federal immigration laws; and

WHEREAS, many jurisdictions throughout the United States are undertaking the enforcement of federal immigration laws and adopting other policies that discriminate against immigrants; and

WHEREAS, recent federal immigration raids in the region have caused fear throughout the immigrant community, including immigrants who reside within the City of Takoma Park; and

WHEREAS, the City of Takoma Park continues to believe that all persons should be treated equally, without regard to their immigration status, and reaffirms its status as one of over 70 cities, counties and states that have enacted “Sanctuary Laws” prohibiting governmental agencies from inquiring about immigration status and unilaterally enforcing immigration law provisions.
