Agenda Item #	1, 2, 3
<b>Meeting Date</b>	May 11, 2015
Prepared By	Suzanne Ludlow City Manager

Discussion Item	Adoption of the Proposed Budget for Fiscal Year 2016
Background	The City's new fiscal year begins July 1, 2015. In accordance with Article VIII of the Charter of the City of Takoma Park, the City Manager prepared a proposed budget for consideration by the City Council. On April 6, 2015, the City Manager provided the City Council and the public with an overview of the recommended budget for Fiscal Year 2016. Public hearings were held on April 13 and April 27. The proposed budget for Fiscal Year 2016 accounts for the City's financial activities in four major funds or fiscal entities. They are the General Fund, the Stormwater Management Fund, the Special Revenue Funds, and the Speed Camera Fund. The City Council held a series of budget work sessions to consider the budget elements and to identify desired modifications. Decisions on the Council's reconciliation list items were made on April 27, 2015.
	The total expenditures for the proposed budget are \$29,548,967 while total revenues are \$27,679,616.
	The budget advances the guiding principles of the City Council in the areas of economic development, environmental sustainability, quality of life, and fiscal prudence.
	With adoption of this budget, the City's real property tax rate is set at 58.5 cents (per \$100 of assessed value), which exceeds the Fiscal Year 2015 rate of 57.0 cents. The rate also exceeds the constant yield tax rate of 57.5 cents as calculated by the Maryland Department of Assessments and Taxation. The rate will lead to an increase in expected revenue of approximately \$227,000 when compared to the previous fiscal year. The primary purpose of increasing property tax revenue is to accommodate a phased-in increase in staff salaries.
	Changes made to the City Manager's proposed budget by the Council are:
	<ul> <li>A half cent reduction in the proposed real property tax rate, taking the rate to 58.5 cents (per \$100 of assessed value).</li> <li>A contribution of \$100,000 to the Police Retirement Plan over the actuarially-recommended amount.</li> <li>Funds for a consultant for police/community engagement</li> <li>Funds for Maple Avenue crosswalk improvements</li> <li>Additional funds for the MANUP program</li> <li>Additional funds for the Lunch and Learn program</li> <li>Elimination of a proposed management position in the City Manager's office</li> <li>Reduction in funding for City TV part time and consultant staff</li> <li>Elimination of funds for a boundary survey</li> <li>Reduction in funding for the Takoma-Langley Crossroads Development</li> </ul>

	Authority  • Elimination of a discount parking district fee for hybrid cars  Attached are the three budget ordinances for consideration for first reading of the budget; final adoption will occur when the ordinances are approved at Second Reading on May 18, 2015.  The budget ordinances are:  • Ordinance Adopting the FY 2016 Tax Rates  • Ordinance Adopting the FY 2016 Stormwater Management Budget  • Ordinance Adopting the FY 2016 Budget
Policy	In accordance with Article VIII of the Charter of the City of Takoma Park, the City Manager is charged with submission of a proposed budget for consideration of the City Council. Before adoption of the budget, the City Council shall hold at least one public hearing.
