This Cemetery, located on Maple Avenue across from the Elementary School, was first organized in 1855 as the Allegany Cemetery Association. Privately run, in 2008 the Cemetery Association voted to dissolve and turn operation of the Cemetery over to the Town of Allegany.

The Town of Allegany also is in charge of the Five Mile Cemetery. The Rules and Regulations for that site are the same as with the Maple Avenue location.

Have you considered purchasing your burial plots in advance? This is a hard process for loved ones to cope with when someone passes away unexpectedly. If you purchase a space at the current rate of \$600.00 you won't need to worry about a price increase in the future.

In addition, when a burial occurs the Town of Elkton charges a minimal \$400.00 fee to mark, open and close the burial space. This fee is not payable in advance since no procedure has been initiated to control the collection of money. Shortly, after burial occurs the flowers will be removed by the town and the space will be leveled and seeded. You will have the option to purchase and place a stone of your selection on your plot at any time.

Westview Cemetery is located on Roanoke Street and is owned and operated by the Town of Blacksburg. The cemetery is an important historic and passive recreational resource in the heart of Blacksburg. It is a very early example of a Park Cemetery, and features gravesites of many of the town's most noteworthy citizens. In addition to continuing to serve as one of the community's primary burial grounds, Westview is a popular destination for strolling, and still graces the town with its natural beauty.

For information on maintenance, sales, and grave openings, call the Public Works Department at 540-961-1142 or email tduncan@blacksburg.gov.

For information on records, deeds, lot transfers, payments, or map records, call the Finance Department at 540-961-1105 or email kquesenberry@blacksburg.gov.
