

Takoma Park Green Team Meeting March 5, 2018
Sustainable Maryland Certification: October 10, 2017
650 points
Recertification in 2020

Green Team Priority	Sustainable MD Category & Sub Category	Points	Detail
Energy Efficiency & Transportation	Community Action	Innovative Demonstration Projects	Neighborhood Energy Challenge & Car 10 Free Challenge
	Community Action	Participation in Green Schools	30 MD Green Schools
	Green Team	Build SMC Resource Center	5 Sustainable Takoma Park - city website
	Green Team	Green Team Action Plan	10
	Green Team	Establish Green Team	10
	Community Based Food Systems	CSA drop-off locations	There are several CSA drop off 10 locations throughout the city
	Community Based Food Systems	Innovative Demonstration Projects	Crossroads Community Food Network 10 programs and support by city
	Local Food Consumption	Establish Local Farmers Markets	Two active farmers markets with city 15 support
	Local Food Fair		Local food education classes at 10 GreenFest in 2016
	Local Food Production	Community Gardens	15 County programs
	Local Food Production	Fall Transplant Sale	10 Takoma Horticultural Club
	Local Food Production	Spring Transplant Sale	10 Takoma Horticultural Club
Energy Efficiency & Renewable Energy	Energy	Innovative Demonstration Projects	5 projects: Solar Co-op; LED streetlights; Solar crosswalk lights; 50 Wind recs; Solar on city buildings
Energy Efficiency	Energy	Municipal Energy Audits	2013 audits and the subsequent upgrades at Heffner Park and 7500 15 Maple.
Energy Efficiency	Energy	Lighting Replacements	15 LED upgrades in city facilities
Energy Efficiency	Energy	Residential Energy Efficiency	Neighborhood energy challenge; low to 20 moderate income grant
Energy Efficiency	Greenhouse Gas	Community Carbon Footprint	15 GHG inventory
Energy Efficiency & Transportation	Greenhouse Gas	Innovative Demonstration Projects	Georgetown University Energy Prize & 20 Transportation Challenge
Energy Efficiency	Greenhouse Gas	Municipal Carbon Footprint	15 GHG inventory

Transportation & Environmental Aspects of Council Priorities	Health & Wellness	Innovative Demonstration Projects	Many projects: Safe routes to school; Playful City USA; Community health and empowerment through education and research (CHEER); New Hampshire Recreation Center gym free for staff and recreation programs; Bikeways; 45 bike share; and streetscape projects.
	Health & Wellness	Living Well Program	15 With Holy Cross Hospital
	Health & Wellness	Workplace Wellness	Workplace wellness programs and 15 benefits
Energy Efficiency & Environmental Aspects of Council Priorities	Local Economies	Innovative Demonstration Projects	Curbside composting; Kilowatt Smack down small business energy efficiency competition and scholarship; County Green Business Certification 30
	Local Economies	Buy Local Campaign	OTBA events city supports and local 15 farmers markets and activities
	Local Economies	Local Business Directory	OTBA directory and the Cooperative 10 Nursery School's directory
Waste Management & Environmental Aspects of Council Priorities	Local Economies	Local Purchasing Preference Policy	Environmentally preferable purchasing 10 policy includes locality preference
Waste Management & Environmental Aspects of Council Priorities	Green Purchasing	Green Purchasing Policy	Environmentally preferable purchasing 15 policy; City code requires recycled paper
Waste Management & Environmental Aspects of Council Priorities	Green Purchasing	Purchase Environmentally Preferable Products	Environmentally preferable purchasing 10 policy
Waste Management & Environmental Aspects of Council Priorities	Waste Reduction	Waste Reduction Program	Recycling in all city facilities; plastic water ban for city functions; portable drinking fountain; polystyrene and plastic bag bans; cellphone recycling; medication drop-off; hazardous waste collection day; yard waste and food 10 waste collection
Environmental Aspects of Council Priorities	Natural Resources	Innovative Demonstration Projects	Safe grow; Yard waste collection and 35 mulch; Urban forestry program
Environmental Aspects of Council Priorities	Natural Resources	Pet Waste Policy	5
Stormwater	Stormwater Management	Stormwater Fee Structure	20
Stormwater	Stormwater Management	Stormwater Management Program	15
Stormwater	Stormwater Management	Stormwater Manager / Coordinator	15 City engineer

Stormwater	Watershed Stewardship	Create a Watershed Plan	Watershed Implementation Plan of 20 2011 with updates
Urban Tree Canopy & Stormwater	Watershed Stewardship	Provide Incentives for Watershed Stewardship on Private Lands	15 Tree bulk purchase program
Stormwater & Waste Management & Environmental Aspects of Council Priorities	Watershed Stewardship	Provide Voluntary Opportunities for Citizen Engagement in Watershed Stewardship	15 Sweep the Creek with FOSC
Environmental Aspects of Council Priorities & Transportation & Energy Efficiency & Stormwater	Planning and Land Use	Housing and the Comprehensive Plan	Strategic Plan; Master Plan; New Hampshire Ave Concept Plan; Ethan Allen Gateway Project
Environmental Aspects of Council Priorities & Transportation & Energy Efficiency & Stormwater	Planning and Land Use	Innovative Demonstration Projects	Ethan Allen Gateway Streetscape 30 Project; Flower Avenue Project
Environmental Aspects of Council Priorities & Transportation & Energy Efficiency & Stormwater	Planning and Land Use	Participation in DHCD Sustainable Communities	20
