

Takoma Park City Council Meeting – February 7, 2018 Agenda Item 3

Voting Session

Second Reading Ordinance Authorizing Purchase of Office Furniture for the Human Resources Department

Recommended Council Action

To approve the purchase and adopt the Ordinance

Context with Key Issues

The Human Resources Department is undergoing renovations to improve the security and privacy of information held within its purview. Members of the Department are currently using tables, desks and chairs which are deteriorating and ill-fitted for the functions and tasks for which they are used. Additionally, renovations in the Department require reconfiguration of the workstations, files and storage solutions to fit within the area. Washington Group Solutions has provided a quote under the National IPO agreement. The options for workstations and furniture provided will refit the space and provide staff with the needed storage and work surface solutions. Staff recommends purchase of the Groupe Lacasse Morpheo line.
