

Takoma Park City Council Meeting – September 26, 2018 Agenda Item 6

Work Session

Update on Status of Major Projects

Recommended Council Action

Hear presentation

Context with Key Issues

This presentation will update the Council and community on the status of major projects in the FY19 work program for the City of Takoma Park. These projects are included in the City's FY19 Budget and implement the City Council Priorities. A good summary of these are found in the City Council Priorities document on the City's website and in the FY19 Budget Document on pages 5-13. Many of these projects involve substantial sums of money and staff resources.

Information on the status of major projects and initiatives is kept up to date on the City's webpage at the Initiatives tab. On the Initiatives page there are direct links to those of greatest interest while the Project Directory provides a full list with links to the project pages. The project pages include schedule, cost, funding and contact information as well as links to relevant documents, resolutions, plans, etc.
