Context with Key Issues

The Takoma Park Facade Ordinance provides for the establishment of a seven-member Facade Advisory Board (FAB). The Board's primary function is to serve as an advisory body to the City Council and the Montgomery County Historic Preservation Commission; to provide input on regulated building projects in the Old Town and Takoma Junction commercial areas; and to provide technical assistance and support to affected commercial property owners.

The makeup of the Board is prescribed by the Ordinance. At least two Board members must be architects, planners, and/or historians. At least two members must own a building or business in the Takoma Old Town and Takoma Junction. One seat is set aside for a representative of Historic Takoma, Inc. for a one-year term. Board members, with the exception of the Historic Takoma representative and alternate, can serve for a maximum of two consecutive three-year terms. The following individuals currently serve on the board: William Fischer (Ward 3, second term expiring on March 31), Anne Fothergill (Ward 3, first term expiring March 31), Lucy Moore (Ward 3), Eric Sepler (Ward 6), Malcolm Williams (Ward 6), and Historic Takoma appointees Lorraine Pearsall (Ward 1) and James DiLuigi (Ward 6, Historic Takoma alternate).

Anne Fothergill (Ward 3) has applied for reappointment to the Facade Advisory Board. Historic Takoma, Inc. has named Lorraine Pearsall (Ward 1) to serve on the Board and Jim DiLuigi (Ward 6) to serve as alternate for one-year terms.
