

# Takoma Park City Council Meeting – April 3, 2019 Agenda Item 2

# Voting Session

Second Reading Ordinance Prohibiting the Commercial Use of Plastic Beverage Straws and Stirrers

# **Recommended Council Action**

Vote on ordinance at second reading.

#### **Context with Key Issues**

Plastic beverage straws and stirrers, including so called "compostable" products made of biologically based polymers, contribute to litter in the local environment and contribute to the nonbiodegradable waste accumulating in landfills and oceans. Straws and stirrers made of paper, wood, and other biodegradable materials and reusable products provide environmentally friendly alternatives to disposable plastic products. The proposed Ordinance generally prohibits retail establishments from providing customers with plastic straws and stirrers for use with dine-in and carry out beverages. However, some individuals require flexible plastic straws to allow them to consume beverages because of physical conditions. Therefore, the proposed Ordinance allows for the provision of flexible plastic straws upon request and requires that retail establishments maintain a stock of flexible plastic straws for that purpose.

The Ordinance also prohibits the provision of plastic straws and stirrers at City sponsored events and in City facilities. It encourages other institutions in the City to switch to reusable or biodegradable products.

At first reading, the effective date of the ordinance was changed to July 1, 2019 for education, January 1, 2020 for warnings, and July 1, 2020 for fines. The attached ordinance reflects that intent by adding 8.52.040(F) "Implementation Schedule. The City Manager will begin monitoring compliance with this chapter commencing January 1, 2020, and shall issue violation warning notices for violations occurring between January 1, 2020, and June 30, 2020. The City Manager may issue municipal infraction citations for violations commencing July 1, 2020." With the addition of the implementation schedule, the ordinance can become effective immediately.

The amendment to the ordinance also necessitates a revision to 8.52.040(A) so that the notice of restrictions and educational materials regarding compliance should commence no later than July 1, 2019 (instead of "at least 180 days before it becomes effective").

#### **Council Priority**

Environmentally sustainable community.

#### **Environmental Impact of Action**

Reduction of waste and litter.

### **Fiscal Impact of Action**

The Neighborhood Services Team enforces the City's environmental codes and encourages compliance through education.

# **Racial Equity Considerations**

All residents of the City will enjoy the environmental benefits of reducing waste. All businesses that sell beverages will be impacted since they must train their staffs to comply, and purchase non-plastic straw products if their customers expect them. This may have a disproportionate effect on smaller businesses that have closer cost margins, many of which may be owned by people of color.

1	Introduced by: Councilmembers Dyballa
2	First Reading: March 20, 2019
3	Second Reading: Effective Date:
4	Effective Date:
5 6	CITY OF TAKOMA PARK, MARYLAND
0 7	ORDINANCE 2019-5
8	ORDINANCE 2013-5
9	AMENDING THE TAKOMA PARK CODE, TITLE 8, BUSINESS, TO BAN THE
10	COMMERCIAL USE OF PLASTIC BEVERAGE STRAWS AND PLASTIC STIRRERS
11	
12	WHEREAS, the City Council established an environmentally sustainable community as one of
13	its 2018 priorities for the City; and
14	
15	WHEREAS, many US cities and the state of California have taken legal action to ban or restrict
16	plastic beverage straws and plastic drink stirrers through ordinances that have taken or will take
17	effect after a prescribed period; including Seattle (the largest city where a ban is already in
18	effect) and Edmonds, WA; Alameda, Carmel, San Luis Obispo, Malibu, Manhattan Beach,
19	Oakland, Richmond and Berkeley, CA; Miami and Fort Myers, FL; Washington, DC; Garrett
20	Park, MD and many more that are considering such legislation; and similar actions that are
21	occurring in other countries; and
22	
23	WHEREAS, the City Council recognizes that plastic beverage straws and stirrers (including
24	certain so-called "compostable" plastic beverage straws and stirrers) will continue to contribute
25	to litter in our local parks and waterways and have an adverse impact on the Sligo Creek, Long
26	Branch and Chesapeake Bay environment, and recognizes that paper straws provide an
27	environmentally friendly alternative for almost all straw uses; and
28	
29	WHEREAS, the City of Takoma Park is concerned that any plastic straw restrictions not create
30	unintended obstacles for those with disabilities; and
31	WHIEDEAC as we have the stars of the second started a second stars with the second stars with the second stars and
32	WHEREAS, some local restaurants have voluntarily adopted a paper straw policy and have been aided in this by local resident voluntaries, with important contributions by Biney Branch
33 24	aided in this by local resident volunteers, with important contributions by Piney Branch Elementary School students; and
34 35	Elementary School students, and
35 36	WHEREAS, the City Council wishes to have restaurants and other retail establishments in the
30 37	City that provide straws to customers aided with the transition to non-plastic straws.
38	City that provide straws to customers added with the transition to non-plastic straws.
39	NOW, THEREFORE, BE IT ORDAINED BY THE COUNCIL OF THE CITY OF
40	TAKOMA PARK, MARYLAND:
41	
42	SECTION 1. Title 8, Business, of the Takoma Park Code shall be amended to include the
43	following:
44	
45	CHAPTER 8.52
46	

# 47 PLASTIC BEVERAGE STRAWS AND STIRRERS

<ul> <li>8.52.010 Definitions.</li> <li>As used in this chapter:</li> <li>"Non-plastic material" means paper, sugar cane, bamboo, rubber, metal, or other material deemed as non-plastic by the City Manager.</li> <li>"Plastic beverage straw" means a tube made predominantly of plastic derived from either petroleum or a biologically based polymer, such as corn or other plant sources, for transferring a beverage from its container to the mouth of the drinker. "Plastic beverage straw" includes compostable and biodegradable petroleum and biologically based polymer straws, but does not include straws that are made from non-plastic materials.</li> <li>"Plastic stirrer" means a device that is used to mix beverages, intended for only one-time use, and made predominantly of plastic derived from either petroleum or a biologically based polymer, such as corn or other plant sources. "Plastic stirrer" includes compostable and biologically based polymer stirrers, but does not include straws that are made from non-plastic derived from either petroleum or a biologically based polymer, such as corn or other plant sources. "Plastic stirrer" includes compostable and biodegradable petroleum and biologically based polymer stirrers, but does not include stirrers that are made from non-plastic materials.</li> <li>"Retail establishment" means any establishment engaged in the retail sale of goods. Retail establishment includes any supermarket, convenience store, shop, service station, restaurant (eatin and take-out), drinking establishment, farmers' market vendor, food truck, and any other sales outlet where a customer can buy goods, including such establishments located in other institutions.</li> <li>"City-sponsored event" means any event organized or sponsored by the City of Takoma Park or any department of the City of Takoma Park.</li> </ul>	48
