#### **Context with Key Issues**

MANUP conducts a mentoring program for young people, ages 12-24. Workshops are geared towards education, self-empowerment, economic awareness and social responsibility. Recognizing the value of the mentoring program for the community and the challenges of fundraising to maintain the activities, the City Council included \$20,000 in the FY 2020 budget by way of the Community Partnership Program (CP2) to support a Teen and Young Adult Mentoring program. Upon submitting a comprehensive report, MANUP will have successfully met the requirements for FY19 and staff is recommending extending the contract for FY20.

An agreement has been prepared setting forth the terms of the contract and providing for disbursement of the funds. The draft ordinance authorizes the City Manager to execute the agreement.
