

Takoma Park City Council Meeting – July 24, 2019 Agenda Item 8

Work Session

City Manager's Overview of Projects

Recommended Council Action

None – discussion only

Context with Key Issues

While the City Council primarily focuses on items requiring Council action, City staff work on many projects throughout the year. Periodically, the City Manager reviews the list of major projects with the Council to provide updates and answer questions.

Council Priorities

• "Engaged and Responsive Service-Oriented Government"

Environmental Considerations

Many of the work projects help advance the City's environmental sustainability goals.

Fiscal Considerations

An indication of the fiscal impact of each of the projects is identified on the Major Projects chart. Part of the discussion with the Council may be regarding changes in project costs.

Racial Equity Considerations

Part of the discussion with Council may be regarding racial equity considerations of the various projects.
