Agenda Items 1, 2, 3

Voting Session
Second Reading Charter Amendment Resolutions - Article III The Council; Article V Amendment Procedures; Article VI Registration, Nominations and Elections

Recommended Council Action
Consider and vote on the Charter Amendment Resolutions at second reading. First reading was held on November 6.

Context with Key Issues
The Takoma Park Board of Elections undertook a review of the City Charter and Elections Code to prepare for implementation of the change of election date to coincide with State and federal general elections. The City Council heard the Board’s recommendations on June 5, 2019 and reviewed them at a work session on September 18, 2019. A Charter Amendment Public Hearing was held on October 23, 2019. There were no comments at the hearing.

There have been some modifications since the proposed amendments were first presented to Council, including refining the language and incorporating suggestions from the City Council and recommendations made by the City Manager. A summary of the final proposed amendments follows. Throughout the text of the three articles proposed for amendment, binary pronouns have been removed, some changes to capitalization have been made for consistency, and some language has been simplified.

At first reading of the resolution, it was noted that the word “early” was omitted from Section 605(a). That correction has been made. (a) Any write-in candidate for Mayor or Councilmember who wishes to be pre-registered as a write-in candidate and to have their name posted in the voting booth for the purpose of identifying her/him as a candidate for office, must file their name with the City Clerk by 5:00 p.m. three business days prior to the start of early voting.

Article III. The Council

- Section 301(a) is revised to include Council-recognized religious holidays as a reason to move, from Wednesday to Thursday, the meeting where the newly-elected Council takes office.
- Ward boundaries in the City are reviewed after each decennial census. Section 301(c) is revised to add a sentence: “Each ward shall be compact in form, composed of adjoining territory, and have substantially equal population.” The sentence is currently in Chapter 5.08 Wards, of the City Code.
• The Mayor and City Councilmembers are currently prohibited from serving on any City board, commission, or other body that has authority to adjudicate or otherwise resolve disputes. The words “in the City” have been added after “resolve disputes.”

• Section 302(c) addresses changes to the language that the Mayor’s salary “shall take effect only as to the next succeeding Mayor.” The wording is revised to read that it “shall take effect only after the oath of office is administered subsequent to that election.” The same change is made in 304(c) regarding the Councilmember’s salaries so that changes take effect “only after the oath of office is administered subsequent to that election” to mirror the language of 302(c).

Article V. Amendment Procedures

• The requirements for amending municipal charters is established by the Local Government Article in the Maryland Code. Qualified voters of the City may petition to referendum a proposed amendment or amendments to the City Charter by submitting a petition signed by at least 20% of the qualified voters of the City. Additionally, residents may initiate a charter amendment referendum by submitting a petition signed by at least 20% of qualified voters. The amendment to Article V establishes that the 20% of qualified voters is based on the number of registered voters at the last general City election. This change enables petitioners to know in advance the required number of valid signatures needed on such petitions.

Article VI. Registration, Nominations and Elections

• Section 601, Qualifications of Voters, is revised to remove the 21-day residency requirement for voting in City elections. If a resident establishes that they are currently a resident of the City and affirms that they do not claim voting residence or the right to vote in another jurisdiction, they may register and vote in City elections.

• Since the City Council established same day voter registration in a prior Charter Amendment, text regarding obtaining lists of voters and the timing of registration has been removed.

• Section 603, Voter Registration, is changed to “City-Only Voter Registration.” The Charter text is revised to enable any resident to register with the City Clerk to vote only in City elections. As a result, the supplemental voter registry maintained by the City Clerk may include both United States citizens who do not wish to register to vote in other elections and residents who are not United States citizens.

• Reference to “late registration” is removed from Section 603 since residents may register up to and including the day of the City election.

• Section 604, Nominations, is revised to enable the nomination meeting to be rescheduled for any Council-recognized religious holiday.

• At the nomination meeting, nominations of candidates may be made on motion by any qualified voter of the City and, if seconded by a qualified voter, that person is considered a candidate. A change to Section 604 explicitly enables a voter to nominate themselves or second their own nomination, thus allowing a qualified voter to become a candidate even if only one other qualified voter either nominates or seconds their nomination.
• Section 604(b) indicates that each candidate’s name shall be placed on the ballot unless they decline the nomination. A clause has been added to clarify that if a candidate fails to file a timely financial disclosure statement their name will not be placed on the ballot.

• Section 605, Write-In Candidates, is revised to move the deadline for preregistering as a write-in candidate from the Friday prior to the election to three days before the start of early voting. Thus, in order to have a write-in candidate’s name placed in the voting booth, the preregistration must occur early enough for it to be posted throughout early voting and election day.

• Section 606 Election of Mayor and Councilmembers retains the instant runoff voting system adopted by the City Council in 2006. However, the name is changed to “ranked choice voting” and the text describing the system has been simplified.

• The current language of Section 606(h) calls for a runoff election to be held in the event of a tie that affects the outcome of the election. The proposed text calls for the tie to be resolved by lot if the candidates were tied in each preceding round of counting.

• Section 607, Conduct of Elections Generally, is revised to enable the Board of Elections, members of which are appointed by the City Council and serve as election judges, to appoint additional people to serve as election workers at the polling place.

• Section 612, Advisory Referendums, in 612(c) addresses petitioning to place an advisory referendum on the ballot. The revised text establishes that the 20% of qualified voters required to sign the petition is based on the number of registered voters at the last general City election. This change enables petitioners to know in advance the required number of valid signatures needed on such petitions.

• There are several proposed revisions to Section 614, Recall Elections. Currently, recall petitions for Mayor must be signed by at least 1,500 qualified voters of the City or 20%, whichever is greater. The 1,500 threshold has been deleted since it will always be less than 20%. The revised text establishes that the 20% of qualified voters is to be based on the number of registered voters at the last general City election. A similar change is proposed for recall petition requirements for Councilmembers, where the threshold was 100 or 20%, whichever is greater.

• Section 614(b)(4) has been added. It limits the time when recall petition signatures can be obtained to the period after the most recent general election and at least 180 days prior to the next general election.

• Finally, in Section 614(b)(e), text has been revised to prohibit the recalled official from applying for appointment by the Council to fill the vacancy resulting from the recall election.

Council Priority
Engaged, Responsive and Service-Oriented Government

Environmental Considerations
Staff does not believe that there are environmental impacts that would result from adoption of the Board’s recommendations.
**Fiscal Considerations**
There are certain direct costs related to enacting Charter Amendments. These include legal advertisements for public hearing notices and publication of fair summaries in a newspaper of general circulation and the cost of codifying the amendments, all estimated to total $1,500 to $2,000 in this case. These changes to the City Charter are not expected to add to the overall cost of elections.

**Racial Equity Considerations**
The Board of Elections’ recommendations continue the process of expanding opportunities to vote in City elections and eliminating barriers to voting. In preparing for 2020, staff and the Board will be focused on outreach, education, and preparation for residents to vote.

action taken during the closed meeting.

Section 308 Vacancies on the Council

(a) Method of Filling Vacancies. Should a vacancy on the Council occur more than two
hundred and forty (240) days before the next regularly scheduled City election, a special election
shall be held to fill the vacancy. If the vacancy occurs less than two hundred and forty (240) days
before the next regularly scheduled City election, the remaining members of the Council by a
majority vote shall, within sixty (60) days, appoint a person who is qualified in accordance with

(b) Special Election. If a vacancy is to be filled by special election, the remaining members of the Council shall, by resolution, establish a date for the special election which shall be not less than forty-five (45) days nor more than sixty (60) days from the date of the vacancy.

c) Ballot. If the requirements of Section 302 or Section 304, as applicable, are met, a person may have their [his/her] name listed on the special election ballot as a candidate to fill a vacancy on the Council by submitting a petition to the City Clerk with a sufficient number of valid signatures at least twenty (20) days prior to the date scheduled for the special election.

(d) Petition. The petition must clearly state that its purpose is to place a specific person’s name on the ballot at a special election to fill a vacancy on the Council of the City of Takoma Park, the office and/or ward that the election is being held to fill, and the date of the special election.

(4) Before listing a person’s name on a special election ballot as a candidate to fill a vacancy on the Council, the City Clerk shall verify that sufficient signatures on a petition are from qualified voters of the City and for a Councilmember vacancy of the ward in which there is a vacancy. The invalidation of one signature on a petition shall not serve to invalidate any other signatures on a petition.

(e) Voting. For a Mayoral vacancy, all qualified voters of the City may vote in the special election to fill a vacancy on the Council. For a Councilmember vacancy, only qualified voters of the ward in which there is a vacancy may vote in the special election to fill a vacancy on the Council.

Section 605 Write-In Candidates

(a) Any write-in candidate for Mayor or Councilmember who wishes to pre-register [be pre-
registered] as a write-in candidate [and to have their [her/his] name posted in the voting booth
for the purpose of identifying her/him as a candidate for office], must file their [her/his] name
with the City Clerk by 5:00 p.m. three business days prior to the start of early voting. [on the
Friday prior to the election.]

(b) A voter in a City election may write in[write-in] the name of any person for the office of
Mayor or Councilmember in the method indicated on the ballot. [provided by the City Clerk on

(c) A voter may only write in[write-in] one candidate for each office.

(d) Only those write-in candidates who are qualified to serve for the office for which they are
written in[written-in] as Mayor or Councilmember as provided by this Charter shall be eligible to
hold said office.

Section 606 Election of Mayor and Councilmembers

(a) On the first Tuesday after the first Monday in November [of 2017, and in] of every even-
numbered year [commencing in 2020], the qualified voters of the City shall elect its governing
body of seven (7) members. Six (6) of these members are elected by ward and are called
Councilmembers, and one (1) is elected at large and is called Mayor. Each of those elected shall
reside in the City and be voters of the City, and in the case of the Councilmembers, be residents
of the areas from which they are so elected consistent with the provisions of Section 304, Article
III of this Charter.

(b) The Mayor and Councilmembers shall be elected using a ranked choice voting system
allowing voters to rank in order of their preference the candidates for each office appearing on
the ballot. If, after counting all voters’ first choice listed on their ballots for an office, no
candidate receives a majority of votes cast, the candidate with the fewest votes shall be
eliminated. Each ballot shall be tallied again for that office counting the vote from each ballot for
the highest ranked candidate who has not been eliminated. If still no candidate for that office
receives a majority, the process shall be repeated until a candidate receives a majority of the
votes for that office. The candidate receiving a majority of votes for Mayor shall be declared
elected. The candidate for Council receiving a majority of votes in each ward shall be declared
elected.
(e) An instant runoff voting system shall be used in order to elect the Mayor and Councilmembers with a majority of votes by allowing voters to rank candidates in order of choice. Instructions on instant runoff voting provided to voters shall conform substantially to the following specifications, although subject to modification based on ballot design and voting system: “Vote for candidates by indicating your first-choice candidate, your second-choice candidate, and so on. Indicate your first choice by marking the number ‘1’ beside a candidate’s name, your second choice by marking the number ‘2’ beside that candidate’s name, your third choice by marking the number ‘3,’ and so on, for as many choices as you wish. You are free to rank only one candidate, but ranking additional candidates cannot help defeat your first-choice candidate. Do not mark the same number beside more than one candidate. Do not skip numbers.”

(d) The first choice marked on each ballot shall be counted initially by the judges of election as one vote. If any candidate receives a majority of the first choices, that candidate shall be declared elected.

(e) If no candidate receives a majority of first choices, the judges of election shall conduct an instant runoff consisting of additional rounds of ballot counting. In every round of counting, each ballot is counted as one vote for that ballot’s highest ranked advancing candidate. “Advancing candidate” means a candidate for that office who has not been eliminated. A candidate receiving a majority of valid votes in a round shall be declared elected. If no candidate receives a majority of valid votes in a round, the candidate with the fewest votes shall be eliminated, and all ballots shall be recounted. This process of eliminating the candidate with the fewest votes and recounting all ballots shall continue until one candidate receives a majority of the valid votes in a round.

(f) To facilitate ballot counting by hand in any round, the judges of election may eliminate all candidates with no mathematical chance of winning. A candidate has no mathematical chance of winning if the sum total of all votes credited to that candidate and all candidates with the same or fewer votes is less than the number of votes credited to the candidate with the next greatest number of votes.

(g) If a ballot has no more available choices ranked on it, that ballot shall be declared “exhausted” and not counted in that round or any subsequent round. Ballots skipping one number shall be counted for that voter’s next clearly indicated choice, but ballots skipping more than one number shall be declared exhausted when this skipping of numbers is reached. Ballots with two or more of the same number shall be declared exhausted when such duplicate rankings are reached unless only one of the candidates with the duplicate ranking is an advancing candidate.

(h) In the event of a tie that affects the outcome of the election, the tie shall be broken by comparing the votes of the tied candidates in the previous rounds of counting, starting with the count immediately preceding the round in which the tie occurs. If one of the tied candidates had more votes than the remaining tied candidates in the preceding round or an earlier round of counting, then that candidate shall advance and the others shall be eliminated. If the candidates were tied in each preceding round, then the tie shall be resolved by lot. In the event that this tie occurs between or among all remaining candidates, then a runoff election between or among the tied candidates shall be held within forty-five (45) days after the date of the election.
The Council may modify the form of the ballots, the instructions to voters, and the details with respect to the method of marking, sorting, counting, invalidating, and retaining ballots and the tabulating and recounting of votes pursuant to this section, provided that no change shall be made that will alter the intent or principles of ranked choice [instant runoff] voting as set forth in this section.

Section 607 Conduct of Elections Generally

(b) The judges of the election shall meet within two days following the election, and shall therefore determine and declare what persons have been elected and issue certificates of election to such persons, and certify the results to the Council.
Section 614 Recall Elections

(a) Removal of Elected Officials. The Mayor and any Councilmember of the City of Takoma Park may be removed from office by the affirmative vote of a majority of those voting in a special recall election.

(b) Recall Petition. A petition for the removal of the Mayor or any Councilmember from office (a “recall petition”) shall state the name, office, and/or ward of the elected official whose recall is sought and that its purpose is to require a special recall election to vote on whether that elected official should be removed from office. (d) Form of Question on Ballot. The ballot for a special recall election shall have the following question: “Should [name of elected official] be removed from the office of [name of office]? Vote ‘yes’ or ‘no’.”
