

Takoma Park City Council Meeting – July 8, 2020 Agenda Item 3

# Work Session

Discussion regarding amending the City of Takoma Park Code to accommodate mail-in ballot voting.

### **Recommended Council Action**

Review and discuss the proposed revisions to the City Code to accommodate mail-in ballot voting and other related changes.

### **Context with Key Issues**

Revisions to the City's Code are necessary to accommodate mail-in ballot voting for the purposes of increasing participation, having the ability to conduct the November 2020 election in the context of the current global pandemic, and recognizing that that State of Maryland may convert the November 2020, general election entirely to vote by mail which may cause voter confusion if the City is not able to proceed in the same manner.

The most significant changes are found in new Chapter 5.18 and are designed to allow the City to proceed with an election that is almost entirely a mail-in ballot election or a traditional election with a mail-in ballot component. The City Clerk and Board of Elections are still working on calculating the appropriate time periods for the date ranges that will be utilized for distribution of mail-in ballots, notices, and reminders.

Additional changes were made to Chapter 5.04, 5.16, and 5.20, to accommodate mail-in ballot related changes or for the purposes of consistency.

#### **Council Priority**

Engaged, Responsive and Service-Oriented Government

### **Environmental Considerations**

N/A

### **Fiscal Considerations**

The FY21 Budget includes \$57,000 for the election. The estimated cost of the election is being revised to incorporate vote by mail. The cost related to vote by mail will include printing of ballots, envelopes, and instructions, and inserting and mailing ballots to all Takoma Park registered voters. Postage for return ballots will be paid. Staff is consulting with and seeking quotes from potential vendors to print, insert, and mail ballots and related materials.

#### **Racial Equity Considerations**

A reason for the change in election date to coincide with presidential and gubernatorial elections is to encourage more residents to vote in Takoma Park elections. It has been particularly difficult to draw in voters from Wards 4, 5, and 6, the wards with larger numbers of people of color and people who live in multifamily housing. We believe that people who are interested in voting in the presidential election will be more likely to use the opportunity to vote in the City election at the same time.

The change to vote by mail could negatively impact the turnout anticipated when the election date was changed. In preparing for 2020, staff and the Board will be focused on outreach, education, and preparation for residents to vote.
