

Takoma Park City Council Meeting – October 14, 2020

Agenda Item 1

Voting Session

Fiscal Year 2021 Budget Amendment No. 2

Recommended Council Action

Approve Second Reading Ordinance for FY 2021 Budget Amendment No. 2

Context with Key Issues

The Fiscal Year (FY) 2021 Budget was adopted by the City Council on May 20, 2020. Modification to the FY21 budget is required in order to carry forward unspent funds, acknowledge a project completed in FY20 that was anticipated to be done in FY21, note a reduction in anticipated revenue regarding the County tax duplication payment, note receipt of funds from a FEMA reimbursement and for grant awards, and note a significant savings in Workers Compensation costs from what had been anticipated for FY21.

Since the Work Session on September 30, there are two changes proposed to this Budget Amendment. The first is to remove the receipt of FEMA COVID-19 reimbursement funds, as they should be attributed to Fiscal Year 2020. The second is to add \$50,000 to the FY21 budget to pay for facilitation services for the new Reimagining Public Safety Task Force.

FEMA Emergency Assistance-Revenue	General Fund	\$21,304.25	Budget revenue increase due to the receipt of 75% FEMA COVID-19 reimbursement for the City's purchase of personal protective equipment

New Avenue Bikeway Grant	Special Revenue Fund	\$475,000	Budget expenditure and revenue are increased due to the award of grant funds

WSSC Flower Avenue	Special Revenue Fund	\$300,327.56	Budget expenditure and revenue are increased to provide for the construction cost to complete the project in FY21; Carryover

Council Priority

Fiscally Sustainable Government

Environmental Considerations

The receipt of the New Ave Bikeway Grant allows for completion of design of Section A of this important bicycle facility, furthering efforts to rely on motorized vehicles. HVAC improvements have positive environmental benefits. The Flower Avenue Green Street project completion will provide significant environmental benefits to the community.

Fiscal Considerations

General Fund (GF) Fund Balance: Net decrease \$1,048,093

- Decrease GF revenue by \$99,000
- Increase GR expenditures by \$949,093
- Non carryover General Fund decreases equal \$177,300; non carryover General Fund increases equal \$276,116 with a net non carryover balance of \$98,816.

Special Revenue Fund (SRF) Fund Balance: Net decrease \$0

- Increase SRF revenue by \$578,273.97
- Increase SRF expenditure by \$578,273.97

Racial Equity Considerations

We do not believe that the act of adopting this budget amendment will disproportionately impact any particular group. The addition of \$50,000 in Public Safety Task Force facilitation will help Black and Brown members of the Task Force be able to participate more comfortably and effectively.
