

Takoma Park City Council Meeting – November 18, 2020

Agenda Item 4

Work Session

Overview of Major Council and Staff Work Items

Recommended Council Action

Hear overview

Context with Key Issues

The City Manager will review major items that the City Council and City staff will be working on through June 2021. The work includes ongoing and new projects or initiatives. Certain efforts, such as the recruitment for a new City Manager, will require a great amount of additional time and attention.

Council Priority

Engaged, Responsive, Service-oriented Government

Environmental Considerations

Many efforts are to advance the Council's resolution responding to climate change.

Fiscal Considerations

The Council will be considering all activities in light of the fiscal constraints brought on by the pandemic. Staff prepares the proposed FY22 budget January through March and Council considers and adopts the final budget in April and May.

Racial Equity Considerations

Many efforts are to advance the Council's priorities to further race equity.
