

Takoma Park City Council Meeting – December 2, 2020 Agenda Item 6

Work Session

Legislative Update

Recommended Council Action

Hear update

Context with Key Issues

Ann Ciekot of Public Policy Partners and the Council will discuss legislative activities already underway for the Maryland General Assembly Legislative Session that formally begins in January.

On December 9, the District 20 Delegation will come before the Takoma Park City Council for the D20 Joint Priorities Hearing. This will be an opportunity for the public and the Council to speak with the District 20 representatives before the Session begins.

Council Priority

Engaged, Responsive, Service-oriented Government

Environmental Considerations

The Council will consider legislation in light of its positions regarding an environmentally sustainable community.

Fiscal Considerations

The Council will keep fiscal impacts in mind when considering legislation.

Racial Equity Considerations

The Council will consider legislation in lights of its commitment to address race equity.
