### Context with Key Issues

The Fiscal Year (FY) 2022 Budget was adopted by the City Council on May 19, 2021 and Budget Amendment No.1 was adopted on July 28, 2021. Since the last amendment, either new operational needs have arisen or delayed Fiscal 2021 budgeted expenditures need to be addressed which require changes to the approved Fiscal 2022 budget. In particular, for the Recreation Department, the annual adopted budget included funding for a planned January reopening; however, with the City's earlier July 2021 reopening enabled by COVID-19 recovery trends in the region, additional funding is needed for restoration of Recreation programming through January. In addition, in the Housing and Community Development Department, several grant receipts are accounted for in this budget amendment.
