

Takoma Park City Council Meeting – October 6, 2021 Agenda Item 2

Voting Session

Second Reading Ordinance Designating Juneteenth as an Annual Day of Remembrance and a Paid City Holiday

Recommended Council Action

Adopt the ordinance.

Context with Key Issues

Juneteenth has long been considered a day to celebrate the emancipation of slaves by members of the Black community. We, as a community, must continue to reflect on the history of racism in our Country, to acknowledge the ongoing systematic racism that still occurs today, and to work to eradicate injustices in today's society.

Council Priority

An Engaged, Responsive & Service-oriented Government

Environmental Considerations

Adoption of this resolution is not expected to have an environmental impact.

Fiscal Considerations

Recognized City holidays generally require additional payroll dollars. The cost of each holiday differs, as several different factors play into additional costs. The five holidays of 2021 so far have cost an additional \$6,000 to \$26,000, with an average of \$12,720 for those employees required to work on the holiday.

Racial Equity Considerations

Designation of this holiday will not cause a disparate impact on any group, and will allow for reflection on the ongoing systematic racism occurring today.
