

### **Article 3. Green Team Committee**

#### **2.16.060 Committee established.**

There is established a Takoma Park Green Team Committee.

#### **2.16.070 Statement of purpose.**

The purpose of the Green Team Committee is to work in partnership with the City Council and City staff, to allow the City to achieve and renew Sustainable Maryland Certification which will help meet its environmental goals.

#### **2.16.080 Duties and responsibilities.**

1. The Green Team will identify projects that meet the City's interest and needs for Sustainable Maryland Certified, and will work with City Council and City Staff to develop recommendations for a Sustainable Maryland Certified 1-year and 3-year action plan.
2. The Green Team will assist in documenting the necessary information to achieve certification through the Sustainable Maryland program.
