

Takoma Park City Council Meeting – February 9, 2022

Agenda Item 1

Voting Session

Second Reading Ordinance Approving FY22 Budget Amendment No 3

Recommended Council Action

Approve Draft Ordinance. First reading was held on February 2, 2022.

Context with Key Issues

The Fiscal Year (FY) 2022 Budget was adopted by the City Council on May 19, 2021, Budget Amendment No.1 was adopted on July 28, 2021, and Budget Amendment No.2 was adopted on October 6, 2021. Since the last amendment, either new operational needs have arisen with unforeseen costs, or delayed expenditures need to be addressed which require changes to the approved Fiscal 2022 budget. In particular, several Capital Improvement Projects in the General Fund are expected to be delayed. In addition, in the Housing and Community Development Department and Takoma Park Library budgets, several grant receipts are accounted for in this budget amendment.

* In general, the amount in bracket () represents budget increase in revenue and the amount without the bracket represents budget increase in expenditure. In Special Revenue Fund (SRF), for grant expenditure increases coincide with revenue (grant reimbursement) increases from an accounting perspective to offset the expenditure increase. Therefore, the net budget increase in Special Revenue Fund is zero, as can be seen in the Fiscal Considerations section of this memo below. Expenditure reduction in the budget is represented by an amount in bracket () in red; and revenue reduction is represented by an amount without the bracket. Refer to the "reason for amendment" column for budget item descriptions.

Council Priority

Fiscally Sustainable Government

Environmental Considerations

None of the items in this budget amendment directly promote energy efficiency and sustainable practices.

Racial Equity Considerations

The Takoma Park Library Communities Immunity Award Grant item will assist people being disproportionately affected by COVID-19 via direct and indirect funding. The New Ave Bikeway projects will provide sidewalk and transit improvements for low-income residents. The Public Space Management Plan request for proposals puts a strong emphasis on racial equity and equitable community engagement around use of public spaces.
