Voting Session (Consent Agenda)

Recommended Council Action

Approve single reading ordinance

Context with Key Issues

The City's five-year audit service contract ended after the completion of the audit and preparation of the Annual Comprehensive Financial Report (ACFR) for the Fiscal Year 2021. In accordance with City procurement procedures, the Finance Director solicited proposals for the audit of the City's financial statements. In response to the solicitation, the City received five proposals in April. After the audit proposal evaluation by the City Manager, Deputy City Manager and Finance Director, we recommend Barbacane Thornton & Company LLP to perform the annual audit of the financial records of the City for a three-year period, with the option of one-year extension based on the City Manager's satisfaction with the firm's performance.

Funds for the services are in the FY 22 Budget.

Council Priority
