Resolution Designating Resident Agent for Service of Process

Recommended Council Action

Approve the resolution on July 19, 2023.

Context with Key Issues

Maryland Code, Section 1-1301 of the Local Government Article requires the governing body of every political subdivision to file with the State Department of Assessments and Taxation a certification of a resident agent. If there is a change in the designated resident agent or change in address for the resident agent, the City must file, for the record, said change with the State Department of Assessments and Taxation.

The designated resident agent for the City is still former City Manager Jamal Fox. The resolution would designate David Eubanks as the new resident agent.
