

# Takoma Park City Council Meeting – February 1, 2023

## Agenda Items 1

### Work Session

Ordinance Approving FY23 Stormwater Management Budget Amendment No. 5  
 Ordinance Approving FY23 Budget Amendment No. 5

### Recommended Council Action

Adopt the budget amendments.

### Context with Key Issues

The Fiscal Year (FY) 2023 Budget was adopted by the City Council on May 25, 2022. Budget Amendment No.1, and Budget Amendment No.2 was adopted on July 27, 2022, Budget Amendment No.3 was adopted on September 21, and Budget Amendment No.4 was adopted on October 12. Since the last amendment, either new operational needs have arisen with unforeseen costs, or delayed expenditures need to be addressed which require changes to the approved Fiscal 2023 budget. In addition, the salary savings due to position vacancies are significant. Staff from the Human Resources worked tirelessly to calculate the salaries and fringe benefits savings for the period covering July 1<sup>st</sup> through January 31<sup>st</sup>. With the availability of Federal Aid, a number of community projects are moved from current year and repurposed in Fiscal Year 2024 due to staff capacity. In the Housing and Community Development Department and Public Works, several new grant receipts are accounted for in this budget amendment.

The amount not in bracket represents budget increase in expenditure and budget decrease in revenue. In Special Revenue Fund (SRF), the grant expenditure increases must coincide with revenue (grant reimbursement) increases within the same fiscal/accounting period. Refer to the "reason for amendment" column for budget item descriptions.

### Council Priority

Fiscally Sustainable Government

### Environmental Considerations

The amendment items related to sustainability is the salaries and fringe benefits savings due to the vacancy of the Sustainable Manager which will enable delayed projects that will have an environmental benefit revisited in Fiscal 2024.
