## Facilities Master Plan

Montgomery College is in the process of a comprehensive update of its collegewide Facilities Master Plan (FMP). This new plan will manage growth and changes anticipated in the ten-year period from 2023 to 2033 and define the capital projects needed to accommodate these changes.

The goal of the FMP is to establish a framework for the development of capital projects to support the role, of the College. It will address key issues to support enrollment, define space needs,
