Report of Finance Committee.

Councilman Lewis of the Finance Committee made the following report.

Takoma Park Md May 20<sup>th</sup> 1891

The Committee on Finance have the following report to make in relation to the loan of \$5,000 authorized by ordinance XXI (July 27 '91) entitled "an ordinance authorizing a loan -

Messrs E. H. Rollins & Son of New Hampshire have agreed to advance the money for the loan provided certain changes are made in the wording of the ordinance creating the loan. The Attorney, Mr. H. W. Fabbatt to whom they referred the matter gives his opinion to the effect that the Charter creating the Corporation of Takoma Park does not give it authority to issue Bonds, but Certificates of Indebtedness only. He also recommends certain other changes in the wording of the ordinance and also in the form of Certificate in order to comply strictly with the terms of the articles of incorporation. We therefore recommend the repeal of ordinance No XXI in toto, and the enactment of the following ordinance.

AN ORDINANCE AUTHORIZING A LOAN.

Be it ordained by The Mayor and Council of Takoma Park as follows:

Certificates numbered two and three, for five hundred dollars each, shall become due and payable at the expiration of three years after the date of the same.

Those were present Councilmen Gilbert, Lewis and Bailey.

Messrs Dorsey and Scudder of Chestnut Ave were present on behalf of the residents of said Avenue to urge the laying of brick sidewalks and graveling said Avenue. Mr Dorsey asked that stone gutters also be laid -

Mr Lewis of the Council suggested that if the Council laid stone gutters on Chestnut Avenue it would be doing more that they were able to do for the rest of the town ~~that~~ as the fund from which such work is to be done is limited - this seemed to be the general feeling of the Council.

Mr Long reported that he had put the bridge over the Sligo in temporary good order.
