Collecting Emergency Care Packages for Victims and Families of Domestic Violence

In partnership with the Montgomery County Family Justice Center Foundation, Takoma Park Police will be collecting care packages and/or items to be donated to meet the immediate, critical needs that directly impact the safety, wellness, and/or healing of a victim of domestic violence and/or their children. Emergency care packages provide brand new toiletries and personal care items for each survivor of domestic violence and their children who walk through the doors of the Family Justice Center to receive services. Brand new stuffed animals, games, toys and books are also provided to every child who goes to the Family Justice Center. Please note that items donated should be new and unopened, if applicable.
