American Identity Solutions is a CJIS-authorized provider of secure Livescan fingerprint services in Montgomery County, Maryland. We offer fast, electronic fingerprinting and background checks so criminal history results are received in a matter of days, rather than weeks or even months. Mobile services are available for large groups, and for service in other counties. Full service pre-employment packages include Passport Photo and Notary services.

All of our Fingerprint Technicians are certified, and have been subject to State and Federal fingerprint-based background checks. Our business will never be outsourced to third-party contractors to insure all client information is maintained securely and confidentially by our own personnel.

American Identity Solutions processes thousands of applicants annually for all requests, including:
