ARTICLE 4 GRIEVANCES

SECTION 1: Defined

A grievance is defined as a dispute between the Employer and the Union alleging that an Employee has been aggrieved by: (a) violation of an express provision of this Agreement; (b) violation of a written City of Takoma Park personnel policy; (c) violation of written work rules and practices; (d) violation of past practice established or continued after the effective date of this Agreement; (e) violation of laws, rules, or regulations that apply to Employees; and/or (f) inequitable application of any of the provisions listed above.

SECTION 2: City Code Grievance Procedure

An aggrieved Employee may, as an alternative to the grievance procedure established in this Article 4, use the grievance procedure provided under the City Code to the extent permitted under the City Code. An Employee shall not be permitted to use both this Agreement's grievance procedure and the City Code grievance procedure to challenge the same action.

SECTION 3: Immediate Elevation to Step Three

Cases involving suspension, discharge, or alleged unreasonably hazardous situations initially will be processed at Step Three.

SECTION 4: Right to Representation

- (a) No bargaining unit Employee will be disciplined, or formally counseled without a steward present if so requested by the Employee. Formal counseling is defined as performance or behavior counseling which results in a written record of the session being placed in the Employee's official personnel file.
- (b) Should an Employee believe that a need has arisen for an immediate meeting with a shop steward or other Union representative he will be allowed to do so only after requesting permission from his

immediate supervisor. The Employee will be allowed reasonable time during working hours to meet, with no loss of pay or benefits. Such request will be granted so long as it does not unreasonably interfere with the performance of the Employee's work or the operations of the City.

- (c) If an Employee believes that an assigned task is illegal or unsafe, the Employee will not be denied an opportunity to make an immediate phone call to a Union representative prior to performing the task.

SECTION 5: Policy

- (a) The parties recognize and agree that the Employer and the Union will make every effort to resolve all disputes in a fair and equitable manner. The resolution of a dispute or other problem will be consistent with the terms and conditions set forth in this Agreement.
- (b) Grievances must be filed within the time frames specified in this Article. Grievances not filed or appealed in a timely manner will be considered resolved based on the Employer's last action. Grievances that have not been responded to by the Employer within the time frames set forth in this Article will be moved to the next step in the contractual procedure. When the next step is binding arbitration and the Employer does not respond within the established time frame, the Union will notify the Employer in writing that it plans to proceed to binding arbitration unless the Employer responds to the grievance within five (5) working days. If the Employer again fails to respond to the grievance, and the Union proceeds to arbitration, the Employer will bear the full cost of the arbitration.
- (c) The parties may, by mutual agreement, waive certain steps, and/or extend stated time frames. Such mutual agreement will be reduced to writing and signed by the parties prior to the expiration of said time frame. Grievances may, by mutual agreement of the parties, be advanced to any step.
- (d) The Local President or his designee may file a grievance. A grievance must identify: (i) the Employee or Employees aggrieved; (ii) the alleged violation; and (iii) the remedy sought.
- (e) At each step of the grievance procedure, the Employee is entitled to representation by a shop steward, unless the Employee objects to such representation. At Step Three the Employee is entitled to one additional Employee representative (*e.g.*, Chief Shop Steward, Local President). The Employer recognizes and will deal with authorized Council 67 representatives at any step. If an Employee objects to representation, the Union may still have a representative present at any step.
- (f) Where the Department Head is an Employee's immediate supervisor, grievances will be initiated at Step One of the following procedure. If there is no resolution at Step One, the grievance will move to Step Three.

SECTION 6: Grievance Procedure

- (a) It is the intention of the parties to avoid filing unnecessary grievances. The parties will attempt to resolve an Employee's concerns prior to the filing of a formal written grievance. If a grievance cannot be resolved through informal discussion with an immediate supervisor it shall be processed as follows.
- (b) **Step One:** This Step One procedure will, at a minimum, involve the Employee's shop steward or alternate steward and the Employee's immediate supervisor. Information about the grievance will be submitted in writing to the Employee's immediate supervisor within seven (7) working days of

the occurrence that gave rise to the grievance or within seven (7) working days of the time the Employee should reasonably have been expected to have knowledge of the occurrence that gave rise to the grievance. The supervisor will, within five (5) working days of receipt of the written submission, meet with the steward and the Employee for the purpose of discussing and resolving the grievance. The immediate supervisor will, within five (5) working days of the meeting, respond to the steward in writing addressing the issues raised by the grievance. This Step One procedure will occur during normal working hours exclusive of lunch or break times. The steward will be provided a reasonable period of time to investigate and document the Employee's problem in this and all successive steps of the grievance procedure.

- (c) **Step Two:** If the grievance is not resolved at Step One, an appeal may be submitted in writing no later than five (5) working days from receipt of the immediate supervisor's written response to the Employee's Department Head, or his designee. The Department Head or his designee will, within five (5) working days from receipt of the grievance, meet with the steward for the purpose of resolving the grievance. At the Union's discretion, present at the meeting may be the Employee and reasonable and necessary witnesses for the Employee. The Department Head or his designee will respond in writing to the Union within five (5) working days of the meeting.
- (d) **Step Three:** If the grievance is not resolved at Step Two, an appeal may be then filed in writing with the City Manager, or designee, within five (5) days from receipt of the Step Two response. The City Manager, or designee, will, within five (5) working days from receipt of the appeal, schedule a hearing at a mutually acceptable time and date. The City Manager or his designee will respond to the Union in writing within five (5) working days of the hearing. At the Union's discretion, present for the Union at the hearing may be the Employee, Chief Steward, or Local President, and reasonable and necessary witnesses for the Employee.

SECTION 7: Binding Arbitration

- (a) Should the grievance not be resolved at Step Three, the Employee may request arbitration of the grievance by a neutral third party. The decision whether to proceed to arbitration will rest solely with the Union. Arbitration will not occur without a formal written request to the City Manager by the Union within twenty (20) working days from receipt of the Step Three response. The Employer will in all cases comply with the request for Arbitration.
- (b) The Arbitrator will be selected within ten (10) working days of a request per Subsection (a) above from a list of practicing Arbitrators mutually agreeable to the parties. In the event the parties cannot agree upon an Arbitrator within ten (10) working days of a Subsection (a) request, each party will choose one (1) Arbitrator satisfactory to the party, and the resulting two (2) Arbitrators will choose one (1) Arbitrator other than themselves to hear the dispute.
- (c) Costs of the Arbitration, except as provided for in Section 5(b) above, will be borne equally by the parties and the Arbitrator's decision will be final and binding on the parties. The Arbitrator will in no event be empowered to change or modify any language in this Agreement. The Arbitrator will limit his decision to resolution of the dispute based on the facts of the case presented, his interpretation of the contract, and appropriate arbitration cases, not limited to this unit, along with other relevant information.

SECTION 8: Employee Rights Not Limited

Nothing in this Agreement limits the right of an Employee to utilize procedure(s) or seek remedy(ies) pursuant to local, state or Federal law, except as provided in Section 4.2 of this Article.

**ARTICLE 5

SECTION 2: Steward Listing/Assignment

A written list of stewards, their alternate stewards, and areas of responsibility (one from each department; two plus one alternate from the Department of Public Works) will be furnished to the Employer within thirty (30) days of the execution of this Agreement. The Union will notify the City Manager within fourteen (14) days of any changes in this listing.

SECTION 3: Processing Grievances/Meetings

Union Stewards and the Local President recognize that their primary responsibility during work hours is to the Employer and their work for the Employer. After requesting permission of his immediate supervisor, a steward or the Local President will be allowed reasonable time during working hours with no loss of pay or benefits to investigate and settle grievances and attend meetings. Such requests will not be unreasonably denied. Such time will not be chargeable to any leave time. The Local President or designee will be allowed three (3) hours of scheduled release time and one (1) hour of unscheduled release time per week plus emergency release time, as needed for such purposes.

SECTION 4: Meetings

The Employer agrees to schedule meetings with the Union, including but not limited to grievance meetings/hearings, arbitrations, negotiations and Labor-Management meetings during normal working hours. Employees who participate in these meetings will suffer no loss of pay or benefits nor be discriminated against for attending or participating in such meetings. If the meeting relates to an employee grievance, the meeting will be scheduled during the grievant's normal working hours unless all parties agree to a different time. If no union representative is scheduled to work during the grievant's shift, the Union President or a shop steward may clock in for the time spent at the grievance meeting.

**ARTICLE 6
UNION BUSINESS LEAVE**

SECTION 1: Union Conventions and Training Programs

The Employer will allow one (1) bargaining unit member each to attend Union International and Council conventions. The Employer will be notified in writing of the name of the attendee thirty (30) days prior to the start of the absence. The Employer will also approve twenty-four (24) hours per year of Administrative leave for each Union officer (President, Vice President, Secretary and Treasurer) and steward to attend Union sponsored training programs. The Employer will be notified of the name of the attendees in writing ten (10) days prior to the start of a training session, and of the length of the absence.

SECTION 2: Workplace Meetings

* Union members of these committees will be provided one (1) hour each month for preparation purposes. Additional time must be arranged with their supervisor in advance. Reasonable requests will not be denied.

** Union members who are engaged in these activities are responsible for keeping their supervisor fully informed of the time required to fulfill these functions. Whenever possible, the Employee will inform their supervisor at least two (2) working days in advance of the required deviation from regular duties.

*** At least thirty (30) days prior to the start of Negotiation Preparations, the Union President will provide the Employer a written schedule of preparation meetings together with a list of persons involved in the Negotiation process. Any changes in the schedule must be mutually agreed upon between the Employer and the Union. If the Employer anticipates a conflict with work requirements, mutually agreeable times will be substituted. The Union agrees to use reasonable amounts of time in its preparation process.

In the event that two (2) or more Employees from one department are required for the Union Negotiation Team, the Employer's permission is required.

**ARTICLE 7

SECTION 1: Vacation Leave

- (a) Employees will earn vacation leave days on a monthly basis based on years of service with the Employer, calculated from the Employee's initial hire date and the earned leave becomes available for the Employee's use at the end of each month. - (d) The approval or disapproval of leave of one (1) day or less will be at the supervisor's discretion with no minimum advance notice required by the Employee.
- (e) Vacation requests will be made in writing to the immediate supervisor. Written vacation requests for leave will be approved or disapproved within five (5) working days of receipt by the supervisor. Request for vacation leave will not be accepted more than six (6) months prior to the actual starting date of the leave; in exceptional circumstances, requests for vacation leave may be made more than six (6) months in advance in order to establish priority for consideration.
- (f) Vacation requests will not be unreasonably denied. Such denial will be subject to the provisions of the grievance procedure as specified in this Agreement.
- (g) Vacation approval will not be subject to revocation except in cases of an emergency or disaster.
- (h) Employees may only be called in to work while on vacation in the event of an emergency or disaster. The Employee will have the vacation time worked restored to their vacation accrual for use at a later time.

- (l) Vacation leave may be taken in increments of one-half (1/2) hour or more.
- (m) Any holiday as defined in this Agreement that falls within an Employee's scheduled vacation will not be counted as a day of vacation.
- (n) An Employee whose vacation approval is subsequently revoked per Subsection (e) above or who is called in from vacation pursuant to Subsection (f) above will be reimbursed by the Employer for the costs of any reservations that were made subsequent to the approval of their vacation request, provided that the Employee provides proof of the incurrence of such costs and such costs are non-refundable from the reservation agent, hotel, airline, etc.
- (o) Employees who become ill, are injured, or are hospitalized while on vacation leave will be permitted to use sick leave in lieu of vacation leave for the duration of the illness, injury or hospitalization provided:

 - (ii) The request is accompanied by a doctor's certificate specifying the nature and duration of the Employees illness, injury and/or hospitalization.
 - (iii) This provision is not intended to cover minor illnesses or injuries.
- (p) Employees may request to use advance vacation leave up to the amount they would accrue to them during the calendar year in which they use the leave. Approval is at the discretion of the City Manager.

SECTION 2: Sick Leave

- (a) The Employer recognizes that an Employee may occasionally be disabled by injury or illness. As a result, sick leave with pay will be granted to an Employee when the conditions provided in this Section 7.2 are met.
- (b) Employees will earn sick leave at the rate of ten (10) hours for each month of completed service. There will be no limit to the accumulation of sick leave. Part-time Employees earn sick leave on a *pro rata* basis. Employees will not be paid for accumulated unused sick leave at the time of termination of employment.
- (c) Sick leave may be taken in one-half (1/2) hour increments.
- (d) The Employee will make every attempt to contact his immediate supervisor or the supervisor's designee (*i.e.*, Secretary, Foreman, etc.) within one (1) hour (post or prior) to the time the Employee would normally be expected to report for work or within one (1) hour of the time that Department's Office hours begin, whichever is earlier. If an Employee is unable to contact his supervisor or the supervisor's designee, the Employee must leave a message with his or her supervisor by voicemail, email or text, as is available and requested by the supervisor. Employees who are Police Dispatchers will telephone the on-duty shift supervisor at a minimum of one (1) hour in advance of their normal reporting time for their assigned shift.
- (e) Employees may use accrued sick leave if an absence is due to sickness, bodily injury, quarantine, required physical or dental examinations or treatments, exposure to a contagious disease when continued work might jeopardize the health of others, or for an immediate family medical emergency.
- (f) Sick leave may be granted for immediate family (mother, father, domestic partner, spouse, children, siblings, step family) or other family sickness as follows:
 - (i) Persons under the same roof: Sick leave may be granted when there is a demonstrated need for the Employee to be present to care for another person with whom he resides.
 - (ii) Legally related persons not under the same roof: Sick leave may be granted when there is a demonstrated need for the Employee to be present to care for a legally related person residing outside the Employee's domicile.
 - (iii) Special conditions for immediate or other family sickness: An Employee will provide proof of illness to the Employer if deemed necessary by the Employer to justify the use of sick leave for persons other than the Employee.
- (g) In the case of chronic or significant illness, the Employer may require a licensed medical practitioner's certificate as to the nature of the illness and as to the Employee's physical capacity to resume his/her duties for each time an Employee uses sick leave. The certificate will indicate dates of treatment and the diagnosis and prognosis if the Employee's absence qualifies as Family and Medical leave under Section 10 of this Article 7.

- (h) Absences of four (4) or more consecutive days due to personal or family illness will be supported by a licensed medical practitioner's certificate. Employees will not be required to provide a certificate for absences of three (3) consecutive days or less, unless they are on sick leave restriction.
 - (i) An Employee may be required to submit to a medical examination at the Employer's expense to determine fitness for duty when a supervisor reasonably believes that the Employee's physical or mental condition may render the Employee unable to perform the duties of the Employee's position or endanger the health or safety of others.
- (j) In exceptional circumstances, an Employee who has exhausted all accrued sick and annual leave may apply in writing to his department head for an advance of up to the amount that the Employee would accrue during the calendar year in which the leave is to be taken.
- (k) An Employee who qualifies for FMLA leave and who has exhausted all accrued sick and annual leave may make a request to Human Resources for a donation of sick leave. A request for donations will be made to City Staff, provided that the Employee requesting the donation has not been on leave restriction in the past twelve (12) months. An Employee will be limited to receiving a maximum of three hundred sixty (360) hours of donations. The City Manager may waive these restrictions in exceptional cases.
- (l) An Employee may donate up to sixty (60) hours of sick leave and any amount of vacation leave to an Employee and no more than a one hundred-twenty (120) hours in any twelve (12) month period provided the Employee maintains a balance of one hundred sixty (160) hours and has not been on sick leave restriction in the past twelve (12) months. Any donations not required by the Employee will be returned to the donors. Individuals must notify Human Resources in writing of the amount of leave they wish to donate.
- (m) A full time Employee who uses more than ninety-six (96) hours of undocumented sick leave in the immediately preceding twelve (12) month period (or a pro-rated equivalent for part-time employees), or an Employee who shows a pattern of using sick leave the day before or the day following a holiday or following a vacation day more than two (2) times in a twelve (12) month period, may be placed on sick leave restriction. Employees who are on sick leave restriction are required to provide satisfactory written explanation of any absence charged to sick leave unless leave is supported by a physician's certificate. Sick leave abuse will not be tolerated and will directly reflect on performance reviews. Continued undocumented use of sick leave may be cause for disciplinary action to include termination of employment. An Employee who works for six (6) consecutive months without undocumented sick leave will be taken off of sick leave restriction.
- (n) Should a workplace closing occur due to inclement weather while an Employee is on sick leave, the Employee will only be charged for that portion of the day he normally would have been required to work.

SECTION 3: Personal Leave

Employees are entitled to personal leave days on an annual basis, which will be earned and used in the year earned as follows:

Length of Service	Number of personal days
0 - 5 years	1
Over 5 - 10 years	2
Over 10 - 15 years	3
Over 15 - 20 years	4
Over 20 + years	5

The Employer recognizes that Employees may have reason to use a day of personal leave on short notice. An Employee should contact his supervisor as soon as he has knowledge of the intent to use a personal leave day. At the very least, employees must notify their supervisor within one (1) hour (post or prior) to the time the Employee would normally be expected to report for work or within one (1) hour of the time that Department's Office hours begin, whichever is earlier.

Requests for more than one consecutive personal day must be made in writing to the Employee's immediate supervisor, or designee, using a Leave Request Form. Written requests for more than one consecutive personal day will be approved or disapproved within two (2) working days of receipt by the supervisor. Department Heads may waive this requirement at their discretion.

Requests will not be unreasonably denied.

Personal days must be used in one-half (1/2) hour increments.

SECTION 4: Military Leave

- (a) The Employer will grant an authorized absence to an Employee who elects, or is required, to perform service in the uniformed services, to the full extent required by the Uniformed Services Employment and Reemployment Rights Act (USERRA). An individual Employee's service limitations, available benefits, and reemployment rights will be determined in accordance with applicable provisions of this law.
- (b) A full-time Employee called to active duty during the duration of the "National Emergency with Respect to Certain Terrorist Attacks," which started on September 11, 2001, is entitled to receive from the City a supplement to the pay and allowances received from the military. The amount of the supplement is the difference between the Employee's City salary and the salary and allowances paid by the military for the period of active duty. This benefit will terminate upon determination by the Federal Government that the crisis is over and/or the individual is released from active duty.
- (c) An Employee who is a member of an Armed Forces Reserve organization or National Guard will be granted two calendar weeks per year for military leave, with the City paying the difference between the Employee's City salary and the salary and allowances paid by the military. The difference will be paid upon completion of the leave of absence and upon the Employee submitting a claim for the difference along with documentation of pay and allowances received from the military. On rare occasions, due to annual training being scheduled on a federal fiscal year basis, an Employee may be required to attend two (2) periods of training in one (1) calendar

year. On this occasion only, an Employee will be granted an additional ten (10) days of military leave during the same year. If such duty is required beyond these ten (10) work days, the Employee will be eligible to take accumulated vacation leave or be placed in a leave without pay status.

SECTION 5: Civil Defense Leave

- (a) No Employee may be discharged by reason of the Employee's participation in civil defense, civil air patrol, volunteer rescue squad, or volunteer fire department activities which are in response to an occurrence declared an emergency by the Governor at the request of the Employer.
- (b) The Employee must submit written proof of his or her required participation. Employee will not remain in a pay status during the Employee's participation but may request annual leave.

SECTION 6: Bereavement Leave

- (a) Three (3) consecutive working days leave with pay will be granted upon request in the event of a death in an Employee's immediate family. Immediate family, for the purpose of Bereavement Leave, is defined as: father, mother, siblings, spouse, children, domestic partner, step family, father-in-law, mother-in-law, legal guardians, primary care giver (person who served in a role of parent or guardian without legal status), or other dependents. One (1) working day leave of absence will be authorized for the death of grandparents, grandchildren, aunts and uncles. In the case of death of a grandparent or grandchild and the Employee has to travel in excess of 110 miles, then a maximum of three (3) days may be authorized by the Employee's Department Head.
- (b) In the event the deceased relative currently lived in the same household as the Employee making the request, the deceased will also be considered to have been a member of the immediate family. Bereavement leave for other relationships may be considered on a case by case basis.

 - (iv) An Employee who may be eligible for injury leave will have the first three (3) days of absence from work charged to sick leave. Continuous absence beyond three (3) days will be cause for granting injury leave. Continued absence beyond twenty-eight (28) days will be cause to credit the Employee's sick leave with three (3) days.
 - (v) The Employee will be subject to a temporary job-reassignment for the period of the disability without change in pay status, provided the Employee is unable to discharge the duties and responsibilities of his assigned position, and subject to a physician's approval, is able to perform the duties and responsibilities of the position to which he or she is temporarily reassigned. Refusal to accept job reassignment will terminate the Employee's eligibility to receive injury leave. Should an Employee elect not to accept temporary job reassignment, their employment with the Employer may be terminated, unless the Employee is also on FMLA leave. A temporary job-reassignment is defined as part-time or full-time duties that are consistent with medical advice provided by the attending physician and is limited to the time period specified in the attending physician's statement, which cannot exceed thirty (30) calendar days. The physician must submit an additional medical statement to extend the temporary duty assignment.

Unless incapacitated, an Employee must update his supervisor at least on a bi-weekly basis as to his condition. The employee must provide the supervisor with all medical certifications and/or changes pertaining to the ability to return to duty or restrictions to duty and for providing any changes in a prompt manner. Employees may personally deliver, send by e-mail, or may mail written documentation to the supervisor.
 - (viii) The granting of injury leave will in no instance exceed six (6) months (except with special approval of the City Council).
 - (ix) Annual leave and sick leave earnings and accrual will remain unchanged.
 - (x) The Employee is responsible for making timely payments to the Finance Office to cover deductions that are normally withheld from pay for health insurance, retirement, and similar deductions.
- (b) If an Employee has a permanent medical condition that arose from a work related injury or illness as determined by the Workers' Compensation Commission and that prevents him (even with reasonable accommodation) from performing the essential functions of his regular job (including the inability to wear protective equipment), then the worker will be considered for transfer to an available job for which the worker is fully qualified and for which the Employer can make

reasonable accommodation to compensate for the Employee's disability, consistent with the requirements of the Americans with Disabilities Act. If a position is vacant and has not been posted, the employee will be considered for transfer to the position before it is posted. The transfer will be made without the Employee losing benefits or seniority. Any adjustment in pay will be made in accordance with the provisions of the City Code regarding a reduction in grade for non-disciplinary reasons.

- (e) Upon return to paid status from an authorized unpaid leave of absence, the Employee's prior service will be credited for the purpose of determining seniority.
- (f) Upon completion of an authorized unpaid leave of absence, the Employee will be returned to the position he held at the time the leave of absence began, provided the position is available. Should the same position not be available, the Employee will be assigned to another position with the Employer for which he is fully qualified. The Employee's rate of pay upon return will be at the same grade and step held at the start of the leave of absence but according to the rate of the authorized scale existing at the time of return. The time of the leave of absence will not count towards determining eligibility for merit step increases.

SECTION 10: Family and Medical Leave

- (a) In accordance with the Family Medical Leave Act of 1993 ("FMLA") the Employer will provide eligible employees who have been employed by the Employer for twelve (12) months with leave pursuant to the provisions of this Section 10.
- (b) An Employee's available paid leave shall run concurrently with any FMLA leave.
- (c) For purposes of determining an employee's leave entitlement under the FMLA, the twelve (12) month period immediately preceding the commencement of leave under the FMLA shall be the applicable measuring period.

If the Employee fails to timely remit premium payments as required, the Employer shall make such payments on behalf of the Employee and, after the Employee's return from such leave, shall deduct (from wages payable to the Employee) two times the amount that would otherwise be deducted pursuant to Article 32 of this Agreement, until the entire amount paid by the Employer on behalf of the Employee has been repaid.

SECTION 11: Voting Time

- (a) Employees will be allowed to take up to two (2) hours off with pay to vote on any day an election for public office is held and on any day a primary to select candidates for elective office is held.

- (b) While in an authorized leave without pay status, the employee is required to contact his supervisor weekly during the employee's absence to keep the supervisor informed of the Employee's progress and expected time of return. At the supervisor's discretion, weekly contact may be waived. If an employee is unable to reach his supervisor directly, the employee will contact his or her supervisor by voicemail, email or text, as is available and requested by the supervisor.

An additional 15 or 30 minutes (unpaid) may be added to the lunch period and the work day extended accordingly when requested by the Employee or crew and approved by the appropriate Team Leader. Where Public Works crews are involved the lunch period for the entire crew will be the same. A workweek begins at 12:00 am on Sunday and ends at 11:59 pm on Saturday. The normal workweek will consist of five (5) eight (8) hour days, Monday through Saturday, inclusive except in those departments required to work on a twenty-four (24) hour basis. All Employees will be scheduled to work on a regular work shift, and each work shift will have a regular starting and quitting time to be designated by the department head.

Communications Dispatchers are required to work rotating shifts and they will have input to any proposed change in the shift schedule. The Police Department will provide backup for dispatchers so that they may take their lunch and rest breaks as outlined above. Dispatchers will receive two (2) additional ten (10) minute scheduled rest breaks.

- (b) When mutually agreeable to the Employer and the Union, innovative work schedules may be negotiated. Such schedules will not result in any diminution of benefits nor will they be done in an effort to avoid payment of overtime.
- (c) There will be no permanent schedule or shift changes without a minimum of three (3) weeks' notice to the Union President or designee.
- (d) Employees of the Solid Waste division, in both residential and commercial refuse pickup, will work a task work schedule. The term task work will denote the completion of any task, to be the equivalent of eight (8) hours or less. - (iv) A list showing a running total of substitute hours worked for each Employee will be posted in the Library every two (2) months. Substitute hours will be offered first to the Employee with the least number of substitute hours, who has indicated availability for substitute hours. If such Employee refuses the hours, then Employee who has indicated availability for substitute hours and who has the next lowest number of substitute hours will be asked, and so forth through the list.
- (v) Employees who are offered substitute hours and refuse them, or who cannot be reached after a reasonable attempt, will be credited, on the list, with having worked the time for the purposes of substitute time equalization only.

 - (iii) All leave with pay will be considered time worked in the computation of overtime.
 - (iv) When City offices are closed due to severe weather conditions or a declared emergency situation, Employees who are required by the Employer to work will be paid at the rate of two and one half (2½) times their regular rate of pay for the actual hours that they work during regular office hours while the City offices are closed. This rate of pay will extend up to eight (8) hours. Any contiguous hours worked after eight (8) hours will be compensated at the rate of one and one-half times their regular rate of pay.
 - (v) An "Essential Employee" is an Employee who is required to work while all other Employees are allowed to be off. All Public Works employees and all Police communications employees are Essential Employees. The Employer will notify an Employee who is in an Essential Employee position, provide the Union with a list of Essential Employee positions, and notify the Union if changes are made.
- (b) The Employer will make every effort to insure that overtime work is distributed equitably among the Employees working within the same job class and work location. Work location is defined as

 - (v) In the event that overtime work is required because of a non-work hour unexpected emergency (*i.e.* a fallen tree, water main break, building break-in, ice patch, police incidents, etc.), the supervisor receiving the call to respond to the emergency is exempt from the requirement to offer overtime to the Employee with the least number of overtime hours and can call in the Employee best qualified to respond to the emergency in the most efficient manner. This exemption to calling in the Employee with the least number of overtime hours is only intended for unexpected emergencies and does not include snow removal.
- (c) Employees will not be forced to work overtime against their expressed desires as long as full requirements can reasonably be met by other qualified Employees willing to work.
- (i) Police communication personnel are limited to a sixteen (16) hour workday and must have a minimum of eight (8) hours between shifts.
 - (ii) For festivals and events, when sufficient volunteers are available to cover the event or festival, employees will be limited to working twelve (12) hours, with a minimum of eight (8) hours between shifts. - (e) Employees will be entitled to an unpaid meal break of thirty (30) minutes during the first two (2) hours of overtime which is consecutive to the end of their regular shift and for each four (4) consecutive hours of overtime worked thereafter.

- (f) At the option of the Employee and with the approval of the Employer, Employees may elect to receive compensatory time at the rate of one and one-half (1½) hours for each overtime hour worked. In cases where double time or a higher rate of overtime applies, that rate will apply to compensatory time earned.
 - (i) Employees may not accrue compensatory time in excess of eighty (80) hours. Overtime worked which would cause a person's compensatory balance to exceed eighty (80) hours shall be paid.
 - (ii) Use of compensatory time will follow the established procedures for use of annual leave. Leave request forms will be used to request and gain approval for use of compensatory time.

- (b) Employees will take reasonable care of Employer furnished protective clothing. The Employer will replace worn and damaged articles as necessary. Employees will replace (or pay for replacement) items lost or damaged through neglect, *i.e.* if an Employee leaves protective equipment on top of a truck and then drives off or over the article. If there are no replacement articles available from the Employer when needed by the Employee, the Employee will be permitted to purchase such replacement articles and be reimbursed by the Employer as long as the request has been approved by the department head.
- (c) The Employer will provide safety glasses, hearing protection, dust masks and reflective safety vests to Employees

An Employee will be considered in a leave without pay status until he complies.

SECTION 2: Safe Working Conditions

Employees will refer any unsafe or unhealthy condition to the Employer and the Union for their joint consideration. It is recognized that the Employer may re-assign any Employee until such conditions are resolved.

- (d) When a situation exists in which an Employee believes, in good faith, that they are being asked to perform a duty which is clearly outside of their job description and which may be considered as hazardous and would clearly endanger his/her safety or health or that of another person, the Employee will immediately notify his/her supervisor who will immediately correct the situation or inform the department head who may request the Employer's Risk Manager to conduct an immediate review of the situation. If the Employee is not satisfied with the results of this review, he will immediately advise his Steward and a grievance may be filed. The Union will have the right to pursue the issue at Step Three of the grievance procedure. While the issue is unresolved, the Employee will not be required to perform the duty or action which is at issue until either the condition is corrected or a determination is rendered pursuant to the grievance procedure set forth in this Agreement. In the event the issue cannot be solved at Step Three of the grievance procedure then binding arbitration relating to health or safety issues will be conducted by a health and safety expert otherwise qualifying as an arbitrator under Article 4, Section 7 of this Agreement.

SECTION 4: Ergonomics

- (a) The Employer agrees to consider ergonomic factors and to comply with OSHA or other regulatory agency established standards with regard to new equipment and processes and as it proceeds to replace equipment or remodel existing work stations.
- (b) During every four (4) hour period in which an Employee spends all his time on a VDT/CRT, the Employee will be given a fifteen (15) minute alternative work assignment or a fifteen (15) minute

rest period scheduled to interrupt continuous operation. This rest period is in addition to the rest period established in Article 9 of this Agreement. This rest period is not cumulative, and cannot be used at the beginning or end of a shift, other established rest breaks, or a lunch period.

- (b) By appointment with Human Resources, Employees will be permitted to examine and make copies of their complete personnel file within two (2) working days after a written request has been made to Human Resources.
- (c) **CONFIDENTIALITY:** Personnel records will be maintained in a secure and confidential manner at all times. Access to an Employee's personnel file will be restricted to those persons required to use the record to conduct official personnel business and payroll processing. Personnel records may be reviewed only by the Employee's immediate supervisor and other persons in the chain of supervision up to and including the City Manager.
- (d) Administrators will endeavor to place in an Employee's file, information of a positive nature indicating competencies, achievements, performances, or contributions of an academic, professional or civic nature. Employees may have this type of information placed in their file by providing a copy to Human Resources.
- (e) Before derogatory information is placed in a file, it must be signed and dated by the person submitting the information for the file. Also, before derogatory information is placed in the file, the Employee will be given the opportunity to acknowledge that he has reviewed such material by affixing his signature on the actual copy to be filed. Signature by the Employee merely indicates that he has read the material to be filed and does not signify that he agrees with the content.
- (f) Unless a third party is involved, negative or derogatory information, which is no more serious than an admonishment, will be removed as requested by the Employee after two (2) years from the date of the occurrence, provided there has, in that two (2) years, been no reoccurrence of a situation significantly similar to that which gave rise to the initial inclusion of such documents in the Employee's personnel file. Such information will include but not be limited to notices of discipline, letters of counseling and/or admonishment, etc.
- (g) Employees will have the right to respond to any material filed and that response will be attached to the file copy. Furthermore, an Employee will be allowed to review any disputed material pursuant to the grievance and arbitration procedures set forth in this Agreement.
- (h) Employees will have the right to have a Union representative present during their review of their personnel file.
- (i) The Union will have the right to review and/or obtain copies of relevant information from personnel files when, in the Union's opinion, such review is helpful during the course of grievance and/or arbitration investigation, preparation, and representation, when the Union provides the Employer with that Employee's written authorization. Access to the files will be provided within two business days of receipt of the written request by Human Resources.
- (j) A copy of all information that is placed in the personnel file will be sent promptly to that Employee.

**ARTICLE 21
DISCIPLINE & DISCHARGE**

SECTION 1: Discipline

- (a) Discipline is intended to be corrective and not punitive. Employees will be disciplined only for just cause. Disciplinary action may be taken to correct an Employee's inappropriate behavior or as a means of causing improvement in an Employee's performance to an acceptable level. Employees will be progressively disciplined, consisting of the following steps: oral reprimand, written reprimand, probation, suspension, and discharge. An exception will be made to progressive discipline where serious violations of policy and procedure so warrant. The severity of the discipline will be determined after the nature and gravity of the offense, its relationship to the Employee's assigned duties and responsibilities, the Employee's work record, and other relevant factors are considered. Disciplinary action will be taken in a manner designed to avoid embarrassing an Employee before other employees or the public.
- (b) An Employee will receive a written "Notice of Intent to Discipline." This Notice will include a statement of the cause for discipline and findings of any impartial disciplinary investigation. A copy of the Notice will be provided to the Union.
- (c) A "Notice of Intent to Discipline" shall be delivered promptly and within ten (10) days of the date that the Employer knew or reasonably should have known of the Employee's action giving rise to the disciplinary investigation.
- (d) An Employee who receives a "Notice of Intent to Discipline" will be asked to sign an acknowledgement of receipt. If the Employee refuses to acknowledge receipt, an appropriate written statement, signed by a witness may be used to evidence service. If an Employee is not in a duty status, the "Notice of Intent to Discipline" will be sent to the Employee's last known address by certified or registered mail, return receipt requested.
- (e) An Employee may: (i) submit a written response within five (5) work days from the day of the Employee's receipt of the "Notice of Intent to Discipline," or (ii) request a meeting with the official who has proposed the disciplinary action to provide the Employee's response. After considering the Employee's response and any additional information obtained, the Employer will determine whether to impose the discipline and notify the Employee and the Union of the decision. If an Employee does not respond to the "Notice of Intent to Discipline" within five (5) work days of receipt, the disciplinary action will be imposed immediately. An Employee's failure to respond to the Notice of Intent to Discipline does not preclude the Union from grieving the imposed discipline.
- (f) A disciplinary action may be processed through the grievance procedure specified in Article 4 of this Agreement. A "Notice of Intent to Discipline" is not a disciplinary action. Notice of Intent to Discipline cannot be used in any future discipline or evaluation unless discipline was imposed and (if challenged) upheld. Copies of all disciplinary actions will be forwarded to the Union President.
- (g) An Employee who has received a "Notice of Intent to Discipline" and the Employee's Union representative may take a reasonable amount of official time (not to exceed a total of six (6) hours of leave with pay not chargeable to any other leave status) to prepare the Employee's response. The Employee and Union representative will notify their supervisor(s) prior to using official time and will submit a leave slip to their supervisor(s) indicating hours requested for this purpose. Leave requested for this purpose will not be unreasonably denied.

- (h) An Employee may request that a Union representative be present when the Employee is questioned during an investigation that an Employee reasonably believes could lead to discipline being imposed against the Employee. Such a request will not be denied unless honoring the request would cause delay in the administration of the discipline of more than one work day.
- (i) Time frames in this Article may be extended by mutual consent of the Employer and the Union. Any such request shall be reduced to writing and shall not be unreasonably denied.

SECTION 2: Suspensions, Discharges, or Reduction in Pay

- (a) A grievance based upon a suspension, discharge, or reduction in pay will be processed initially at Step Three of the grievance procedure set forth in Article 4, Section 6 of this Agreement.
- (b) An Employee may be placed on leave with pay at the time a "Notice of Intent to Discipline" of suspension or discharge is provided to the Employee, and may continue until discipline is imposed.
- (c) If a grievance regarding an Employee's suspension or discharge is taken to arbitration, and the grievance is upheld, the arbitrator will have the discretionary authority to make an Employee whole or to award a lesser remedy.

**ARTICLE 22
OUT OF TITLE WORK**

- (a) Employees temporarily shifted to a position in a higher classification will be compensated for the duration of the assignment at the higher classification.
- (b) Employees who are required to perform essential duties of a higher job classification in addition to the duties of their existing position for a period in excess of five (5) consecutive work days will, on the sixth work day, be compensated for the duration of the assignment at that higher classification.
- (c) Temporary transfer or temporary reassignment will be for a period not to exceed ninety (90) work days unless:
 - (i) The position is being kept open for an Employee on authorized leave, or
 - (ii) Mutually agreed upon by the Employer and the Union; otherwise any position which is filled for more than ninety (90) workdays by temporary transfer or by a temporary reassignment of that position's duties will be considered open and will be posted.
- (d) Police Communication Training Officers will be compensated for training with an increase of one dollar (\$1.00) per hour for the training period and receive one (1) day of annual leave.

**ARTICLE 23
CAREER DEVELOPMENT**

- (a) The Employer and the Union recognize the need for the development and training of qualified Employees to fulfill the Employer's workforce requirements. The Employer agrees to the principles of Career Paths and promotion from within its own organization where it is considered feasible by management. In keeping such principles, the Employer and the Union will establish a Career Development Program. The Labor Management Committee will work towards the development of a feasible and affordable Career Paths Program.

- (b) The Employer agrees to support the further education of Employees. Bargaining unit members may be reimbursed, depending upon the availability of funds, for tuition for satisfactory completed courses of study that would better enable Employees to perform their current jobs and compete for promotional opportunities. Such courses of study will include but not be limited to high school equivalency programs, vocational and trade programs, and college level courses. Request for tuition reimbursements must be approved in advance of attendance and must be processed in accordance with the applicable City regulations. In the event that there is a shortage of funds, the joint committee will screen such requests.
- (c) The Employer agrees to continue to provide in-house training for Employees, including skill's certification on an on-going basis.

**ARTICLE 24
POSITION SPECIFICATION/WORK PLANS**

- (a) On the first day of work a new Employee will receive the position specification for which he or she has been hired. The position specification sets forth the duties and responsibilities of the position. The Union will receive a copy of the position specification for each bargaining unit position. An Employee is expected to perform the duties and responsibilities outlined in the position specification.
- (b) Within thirty (30) days of hire, of assumption of a new position, or of a reassignment or reclassification that involves changed or additional duties, an Employee's supervisor will provide the Employee with a written work plan developed after consulting with the Employee. The work plan will contain goals and timeframes for the Employee that are specific, measurable, action oriented, realistic, and time oriented, and provide the criteria necessary for the Employee to be rated as "Meets Requirements" or "Distinguished" in his or her annual performance evaluation. An Employee will acknowledge receipt of and agreement with the position specification and work plan by signing them. An Employee will be provided with a copy of his or her position specification and work plan.
- (c) The failure of an Employee to receive a work plan in a timely manner may be considered when determining an Employee's overall performance rating, and may be considered when qualifying an Employee for a higher performance rating.
- (d) Employees will work substantially in their position specifications. If an Employee believes that his or her duties or responsibilities have changed and are inconsistent with the duties and responsibilities in the position specification, the Employee may request consideration for reclassification of his or her position. Such a request shall be submitted by the Employee to Human Resources in writing, and explain the changes in the position that the Employee believes warrant reclassification. The Employee will be notified of the Employer's decision regarding the reclassification request within forty-five (45) days of the Employer's receipt of the request. An Employee's request for reclassification will not result in a demotion for the Employee. If reclassification is considered appropriate, the effective date of the reclassification will be the date of the Employee's request.
- (e) The Employer will furnish the Union with a copy of an Employee's position specification if it changes. The Employer will furnish the Union with a copy of the Employer's classification system.

ARTICLE 25
PERFORMANCE EVALUATIONS

- (a) An Employee will receive an annual performance evaluation, as well as oral and/or written feedback regarding his or her performance during the year. The annual performance evaluation will be based upon job related criteria, goals and timeframes set forth in an Employee's position specification and work plan created under Article 24 of this Agreement. An Employee will be provided with a copy of his or her annual evaluation.
- (b) If, during the evaluation cycle, an Employee's supervisor determines that the Employee's performance is not meeting the Employer's legitimate expectations, the Employee and the Union will be notified and a Corrective Action Plan (CAP) will be developed by the supervisor, with assistance from Human Resources if necessary. An Employee will be provided with a copy of his or her CAP. The CAP will last for 90 calendar days, but nothing shall preclude the Employer from discharging an Employee before the conclusion of a CAP period when an Employee's actions so warrant pursuant to Article 21 of this Agreement. If the CAP is issued to an Employee within 90 days of an Employee's scheduled evaluation date, the evaluation date will be temporarily extended until the end of the CAP period. An Employee who successfully completes a CAP after a temporarily extended evaluation date will be compensated at the appropriate rate from the date that the evaluation was originally due.
- (c) If an Employee does not successfully complete a CAP, the Employee will be provided with a final opportunity to meet the Employer's legitimate expectations, which will last no longer than 90 days. If the Employee successfully completes this period in circumstances where there was a temporarily extended evaluation date, any adjustment to compensation will take effect only from the beginning of this period. If the Employee does not successfully complete this period, the Employee may be disciplined, up to and including discharge. Nothing shall preclude the Employer from discharging an Employee before the conclusion of a Work Plan period when an Employee's actions so warrant pursuant to Article 21 of this Agreement.
- (d) An Employee will not receive an annual performance evaluation rated below "Meets or Sometimes Exceeds Expectations," unless the Employee has received documented feedback of performance concerns from his or her supervisor through counseling, mandatory training, or a CAP.
- (e) If an Employee does not receive his or her annual performance evaluation within thirty (30) days of its due date it will be deemed "late," and the evaluation will default to "Meets or Sometimes Exceeds Expectations" until the evaluation is submitted. If the submitted evaluation is "Below Requirements and Expectations," the Employee will receive a pay adjustment beginning when the evaluation is submitted. If the Employee is rated "Distinguished," the Employee will receive any pay adjustment due to that rating made retroactively to the original due date of the performance evaluation.
- (f) An Employee may challenge a performance evaluation rating below "Meets or Sometimes Exceeds Expectations" through a grievance up to the City Manager. The decision of the City Manager is final.

ARTICLE 29 PROBATIONARY PERIOD

- (a) All newly hired Employees will serve a six (6) month probationary period. At the discretion of the Employer, the probationary period may be extended for an additional ninety (90) days.
- (b) At any time during the probationary period or the extended probationary period, the Employer may remove a new Employee if in the Employer's opinion the Employee is unwilling or unable to perform the duties of the position satisfactorily or that the Employee's habits and lack of dependability do not merit continued employment.
- (c) This article does not apply to current Employees promoted to a higher position, accepting a lateral transfer, or who have accepted a demotion.

ARTICLE 30 WAGES

As a result of the Market and Compensation Study conducted by the Employer in 2014, the Employer and the Union agree that wage adjustments for Employees pursuant to this Article 30 during Fiscal Years 2015, 2016 and 2017, shall be made as follows:

Fiscal Year 2015: An employee will be placed at the appropriate grade and step location on the Wage Scale grid attached as Exhibit A to this Agreement upon ratification of the Agreement by the parties. The placement will take into account that an employee who is rated "Distinguished" in Fiscal Year 2015 is moved one additional step on the grid.

Fiscal Year 2016: The wage of an employee who receives an evaluation rating of "Meets Requirements" in fiscal year 2016 will be placed at the mid-point on the grid between the employee's Fiscal 2015 grid location and the grid location the employee will be placed at in Fiscal Year 2017. An employee who is rated "Distinguished" in Fiscal Year 2016 will be moved one additional step on the grid. An employee who is rated "Below Requirements" will receive no adjustment.

Fiscal Year 2017: The wage of an employee who receives an evaluation rating of "Meets Requirements" in fiscal year 2017 will be moved to the appropriate location on the grid, plus one additional step if the employee received a "Distinguished" rating in Fiscal Year 2016. An employee who receives a "Distinguished" rating in Fiscal Year 2017 will be moved one additional step on the grid. An employee who is rated "Below Requirements" will receive no adjustment.

Each employee will receive an individual notice of his or her anticipated wage adjustments in Fiscal Years 2015, 2016 and 2017 upon ratification of this Agreement.

For all Employees, upon a promotion to a higher grade, the anniversary date is one year from the effective date of the promotion.
- (c) Upon promotion, an Employee will be placed in the pay step of the new grade which is at least 6% higher than his current salary.

SECTION 2: Market Study of Municipalities

The Employer will conduct a market study every three (3) years to determine whether Employee wages are competitive within the market area composed of Annapolis, Rockville, Bowie, Laurel, Greenbelt, Gaithersburg, College Park, and Hyattsville. The results of the study will be used to determine whether changes will be made in the Market Adjustment and/or for changes in wage ranges to be effective in the next fiscal year. Benchmarks to be used in the survey will be shared with the Union prior to the start of the study.

- (b) Prior to the start of a study, the Employer will furnish the Union a copy of benchmarks. Any Union comments on the benchmarks will be discussed with the Union and considered by the Employer prior to the start of the study, provided the Union responds to the Employer within thirty (30) days of receiving the Employer's plans.
- (c) A copy of any completed market study will be furnished to the Union for comment, which will be considered by the Employer provided the Union response is received within thirty (30) days of the Union's receipt of the study.
- (d) The Union may, at its discretion, conduct a market survey and submit to the Employer for consideration. The Employer will consider the Union study if the market area and the benchmarks are compatible with the Employer's study. In order to receive consideration for implementation in the next fiscal year, the Union study must be provided to the Employer by February 1.

The Group Health coverage shall be governed in all aspects in accordance with the contract between the Employer and the carrier providing such insurance, and/or the rules and regulations adopted by the provider of the coverage. Employees who elect to be covered must participate in accordance with such option(s) as may be designated by the Employer.

For a regular full time Employee who selects the base HMO option, the Employer shall pay 100% of the actual annual premium cost for single coverage and 80% of the actual annual premium cost for two persons or family coverage. Part-time Employees will receive a *pro-rata* payment toward the actual premium cost based on the hours that they work. For an Employee who selects the PPO option, the Employer will pay the amount it would pay if the Employee selected the base HMO option.

The Employer and the Union will attempt to ensure that benefits under this Section are not reduced during the term of this Agreement. If, during the term of this Agreement, the Employer contemplates changes in the Group Health Package in effect at such time, the Employer will submit to the Union, in writing at least thirty (30) calendar days prior to their effective date, a description of such changes and, upon request, meet and confer with the Union over such changes.
