REQUEST FOR PROPOSALS ("RFP")
FOR MAINTENANCE OF CERTAIN LANDSCAPED AREAS

PURPOSE

The City of Takoma Park ("City") invites qualified firms to submit proposals to provide maintenance of certain landscaped areas within the city of Takoma Park. These landscaped areas include bio-retention facilities as well as planted areas along streets. A contract will be awarded to a highly qualified and experienced contractor with a record of experience in maintenance of such facilities.

BACKGROUND INFORMATION

The City of Takoma Park is located in the southern part of Montgomery County, Maryland, and borders Washington, D.C. The City, which is about 2.2 square miles in size, is primarily residential in character and has a population of approximately 17,000.

The City has over 40 stormwater management retention and filtration facilities. These structures are located along streets within the City. Currently maintenance of these facilities is performed by City staff in the Public Works Department. The City is looking to supplement and enhance the existing maintenance services though a qualified contractor.

The size of each stormwater facility range from 80 SF to 2,000 SF. Most facilities are surfaced with 4 inches of shredded wood mulch, underlain by a bio-soil mix to depths of 3 to 4 feet. Below the bio-soil mix, the structures contain free draining granular media (i.e. #57 and #7 crusher run) ranging in thickness of 12 to 24 inches. In those facilities that have a direct tie-in to the stormwater pipe system, there are perforated 6 inch PVC pipes with clean out facilities located at the base of the structure. For those facilities that do not have a direct connection to the stormwater system, the collected water is expected to slowly disperse through the surrounding soil.

The bio-retention facilities typically have a curb cut opening to allow run-off from the street to enter into the facility. Some of the structures also contain 2 ft square forebays or inlet boxes to assist with the deposition of sand and sediment carried in the run-off as it flows into the facility. Slope and surface protection of depressed ponding areas are provided by river jack rocks, rip rap and ornamental stones.
QUALIFICATIONS

The Respondent Contractor ("Contractor") must have a minimum of five (5) years professional experience in grounds or garden maintenance, as well as bio retention, filtration and other stormwater facilities inspection and maintenance. In addition the contractors must be certified as Landscape Professionals through Montgomery Counties Rainscapes Program.

SCOPE OF SERVICES

The City seeks lump sum price proposals from qualified Contractors to include maintenance services outlined below. The requested services are to be performed at the facilities listed on Attachment 1 and include Type 1 Bio-retention Facilities, Type 2 Garden and Bio-retention facilities and Type 3 Small Tree Box and Planted Bed Facilities.

SERVICES TO BE PROVIDED:

1. Weed within the garden or planted area
2. Remove litter in and around the facility (including along the street curb up to 50 feet in either direction from the curb cut.
3. Remove fallen leaves within the planted area.
4. Remove sediment collected in the curb openings, in the sediment box or within the surface of the facility. Also remove sediment collected in the street gutter adjacent to the facility
5. Stabilize or refresh shredded hardwood mulch as needed to maintain a 4 inch depth over all exposed soil surfaces
6. Adjust river rock as needed to remove sediment and provide for clear intake of street water flow (for Type 1 and 2 Facilities only)
7. Remove dead blooms, leaves or stalks of perennial plants and grasses
8. Services are not to include dead plant removal or replacement planting or pruning of woody shrubs or trees
9. After completion of services, notify City of any issues associated with damage to facility, erosion or plant death.

In addition to the services listed above, the City requests pricing by hourly rate to perform maintenance services on a call-in basis, outside the frequency identified below. When providing the hourly rate, please identify the crew size.

FREQUENCY OF SERVICE

The City is requesting pricing for provision of the services listed above at the following frequencies:

Two times a year,
Four times a year and
Six times a year.
The Proposal Response Form is provided and identifies the areas and frequency of maintenance for pricing purposes. Responding contractors must use the Proposal Response Form when submitting a proposal.

**TERM OF THE CONTRACT**

The City requests services for a two year period, with possibility of extension for two (2) additional one (1) year periods.

**PROPOSAL SUBMITTAL INSTRUCTIONS**

Contractors must submit the following items when responding:

1. A Letter of Transmittal on the company’s business stationery. The purpose of the letter is to provide a record of transmittal of the proposal in addition to the acknowledgements of amendments, addendums, and changes issued (if any). The letter should be signed by an individual who is authorized to commit the Contractor to the services and requirements stated within the Request for Proposals.

2. Qualification and Certification Statement (attached).

3. A company profile, including the number of years in business, type of operation, and number of employees.

4. A list of key staff of the company who will be directly or indirectly involved in working with the City’s Department of Public Works during the contract term, specifying the role each will play. For each key staff member, provide a brief resume, including years employed by the company.

5. A reference list of current and past clients for which landscape maintenance has been performed. This list should include the organization name, contact person’s title, and contact information (telephone and e-mail addresses) for at least five (5) clients for whom landscape maintenance has been performed (Reference Form attached).

6. A completed Living Wage Requirements Certification (attached).

8. Completed Proposal Response Form (attached)

**BASIS OF AWARD/EVALUATION CRITERIA**

Proposals will be evaluated and ranked based on the following criteria:

1. Experience and qualifications of the Firm.
2. Prior experience in conducting landscape maintenance and stormwater facility maintenance.
3. Qualifications and experience of personnel to be assigned to the program.
4. Client references.
5. Cost

SUBMISSION

1. Each Respondent Contractor must submit the information listed above to:

   Ian Chamberlain, Construction Manager  
   City of Takoma Park  
   31 Oswego Avenue  
   Silver Spring, MD 20910

2. Inquiries may be made to Mr. Chamberlain at (301) 891-7611 or via email to IanC@TakomaParkMD.gov

3. Due Date: Proposals are due no later than 4:00 p.m. EST on Friday, May 29, 2015. Requests for extensions of the date and time will not be granted and no late proposal or late request for modifications will be considered.

4. Confidentiality: Proposals will be available for public inspection after the award announcement, except as to the extent that a Respondent Firm designates trade secrets or other proprietary data to be confidential. Material designated as confidential must be readily separable from the remainder of the proposal to facilitate public inspection of the non-confidential portion of the proposal. A Firm's designation of material as confidential will not necessarily be conclusive, and the Firm may be required to provide justification why such material should not be disclosed, on request, under the Maryland Access to Public Records Act, State Government Article, Sections 10-611 through 10-628 of the Annotated Code of Maryland.

5. Proposal Expenses: The City is not responsible for expenses incurred by Contractor in preparing and submitting proposals.

6. Rejection of Proposals: The City reserves the right to reject any and all proposals, in part or as a whole, to waive technical defects, and to select the proposal(s) deemed most advantageous to the City.

7. Duration of Prices: The price proposal submitted by the Contractor is irrevocable for a period of 90 days from the proposal due date.

8. Acceptance of Terms and Conditions: By submitting a proposal, a Contractor accepts the terms and conditions set forth in this RFP.

9. Procurement Law: This RFP and any contract entered into as a result of this RFP are governed by Takoma Park Code, Title 7, Division 1 (Purchasing).
CITY OF TAKOMA PARK
GENERAL CONDITIONS

The General Conditions set out below shall apply to all formal solicitations for the City of Takoma Park, Maryland. Proposers are responsible for informing themselves of these requirements prior to submission of proposals. The term "bid" and "bidder" as used in these General Conditions shall include the term "proposal" and "offeror" or "respondent."

1. Receipt of Proposals

Proposals or amendments received after the date and time specified as the proposal due date will not be considered.

2. Proposal Due Date

a. Friday, May 29, 2015 at 4:00 p.m. EST

b. Unless otherwise specified by the City, all proposals submitted may not be withdrawn after bid opening and shall be binding for City acceptance for ninety (90) days from the proposal due date.

3. Award or Rejection of Proposals

a. A contract shall be awarded to a responsive and responsible bidder. The City reserves the right, in its sole discretion, to: 1) accept a proposal in part or as a whole; 2) reject any or all proposals; 3) re-advertise the Request for Proposals; 4) waive any required information set forth in the Request for Proposals; 5) select a proposal and make a contract award which best serves the most effective and efficient performance of the contract services and the interests of the City; and/or 6) reject any and all proposals that comply with the Request for Proposals specifications, or to accept a higher proposal that complies, provided that, in the judgment of the City, the services or items offered under the higher proposal have additional values or functions justifying the difference in price.

b. The City reserves the right to personally interview bidders and to inspect the bidder's place of business, inventory, supplies and equipment prior to making a contract award.

c. The City also reserves the right, in its sole discretion, to reject the proposal of a bidder who has previously failed to satisfactorily perform or to timely complete a contract of a similar nature (whether for the City or for a different jurisdiction or entity) or a proposal of a bidder who, upon investigation, is not in position to perform the contract.

d. A written notice of the contract award (or acceptance of the bid) will be provided to the successful bidder within the specified acceptance period. The successful bidder will be expected to sign a City contract.

e. Specific requirements as to bid bonds shall be incorporated in individual proposal specifications, if required. Although performance and/or payment bonds may be directly addressed in the specifications, the City reserves the
right to require a performance bond if the City deems it to be in the City's best interests to require a performance and/or payment bond at the time of award.

4. **Payment**

Invoices for payment for contract services must be submitted in duplicate. An original invoice and one copy shall be forwarded to the City. Payment will be made upon the City's acceptance of the services or items represented by the invoice. Payment terms are net 30 unless special arrangements have been established.

5. **Subcontractors**

Bidders may not assign or sublet the contract services or any part thereof without the prior written consent of the City Manager, or his or her duly appointed representative. Bidders must request approval in writing for any such assignment or subcontracting, including the name of such assignee or subcontractor(s) he or she intends to use, the specific services or materials to be furnished by such assignee or subcontractor, the assignee or subcontractor's place of business, and other information as the City Manager may require.

Bidders shall not legally or equitably assign any of the monies payable under the contract, or its claim thereto, unless by and with the prior written consent of the City Manager.

6. **Compliance with Specifications**

Bidders shall abide by and comply with the true intent of the specifications of this Request for Proposals and not take advantage of any unintentional error or omission.

7. **Bidder's Certification of Noninvolvement in the Nuclear Weapons Industry**

In order to comply with the provisions of Takoma Park Code Chapter 14.04, Nuclear-Free Zone, section 14.04.060.C, bidders must certify, by a notarized statement, that the bidder is not knowingly or intentionally a nuclear weapons producer.

8. **Living Wage Requirement**

This Request for Proposals is subject to the City of Takoma Park's living wage requirement for service contracts. The "Living Wage Requirements Certification" must be completed and submitted with your proposal. If you fail to submit and complete the required material information on the Living Wage Requirements Certification, then your proposal is unacceptable under City of Takoma Park law and will be rejected.

The current mandatory living wage rate, payable by a contractor to employees under the City's living wage law, is $13.95 per hour through June 30, 2014. The living wage rate is adjusted as of July 1 of each year to reflect the most current Montgomery County living wage rate and shall be applicable to any contract awarded thereafter until the date of the next adjustment. Notice of adjustments to the living wage rate can be found on the City's website (www.takomaparkmd.gov). Also, the City's living wage law—Takoma Park Code § 7.08.180 et. seq. is available at the same website (click on Code).
9. **Conflict of Interest**

No employee or officer of the City, or his or her immediate family member, shall be permitted to any share or part of this contract or to any benefit that may arise from this contract.

10. **Indemnification and Insurance**

a. The bidder is responsible for any loss, personal injury, death, property damages, and any other damages of every name and description that may be done or suffered by reason of bidder’s negligence or failure to perform any contractual obligations. The bidder shall indemnify and save harmless the City of Takoma Park, its employees, officials, and agents, from and against all losses, liabilities, claims, demands, damages, suits, costs and expenses of any kind, including attorney’s fees and litigation expenses, suffered or incurred due to the bidder’s negligence, tortuous act or omission, or failure to perform any of its contractual obligations.

b. The bidder must obtain at its own cost and expense, and keep in force and effect during the term of the contract with the City for the contract work, including all extensions and renewals, the insurance specified below, with an insurance company licensed or qualified to do business in the state of Maryland. A certificate of insurance must be submitted to the City prior to the commencement of any work under the contract and prior to any contract modification extending the term of the contract, as evidence of compliance with this provision. The City of Takoma Park must be named as an additional insured on all liability policies. A minimum of thirty (30) days written notice to the City of cancellation or material change in any of the policies is required. In no event may the insurance coverage be less than that shown below, unless the requirements of this section are waived, in whole or in part, in writing by the City Manager.

Professional Liability (for professional services contracts)
11. **Bidder’s List**

   In an attempt to keep the prospective bidders’ list current, bidders are asked to respond to all bid solicitations. If the response is a “No Bid,” the bidder is requested to explain his reasons for not bidding. Failure to respond to three consecutive invitations may result in deletion from the City’s bidder’s list.

12. **Changes**

   The City may, at any time, by written order, make changes to the Scope of Services as set forth in this RFP. If such changes cause an increase or decrease in the bidder’s cost or time required for performance of any project service, an equitable adjustment, if applicable, may be made and the parties’ contract modified in writing accordingly.

   Any claim of the bidder for adjustment under this clause must be asserted in writing within fourteen (14) days from the date of receipt, by the bidder, of the notification of the change order, unless the City grants a further period of time.

   No service for which additional compensation will be charged by the bidder shall be furnished without the written authorization of the City.

13. **Covenant Against Contingency Fees**

   The bidder warrants that no member of the bidder’s firm has employed or retained any representative, individual, or firm other than a bona fide employee working solely for the bidder firm to solicit or secure any contracts hereunder and further warrants that there has not been any payment or promise or agreement to pay anyone a fee, commission, percentage, gift or any other consideration contingent upon or resulting from the award of a contract under this proposal.
