

TAKOMA PARK  
REIMAGINING PUBLIC SAFETY  
TASK FORCE

## Charge to the Task Force

**Purpose:** The purpose of the Reimagining Public Safety Task Force is to develop recommendations that make Takoma Park a safer, more livable community for all residents, with an emphasis on addressing racial inequalities that exist in government and services evolving around public safety. This Task Force is our opportunity to bring new voices into the process as we take stock of what is working, what is not, and as we explore best practices in public safety.
