

TAKOMA PARK
REIMAGINING PUBLIC SAFETY
TASK FORCE

Charge to the Task Force

Purpose: The purpose of the Reimagining Public Safety Task Force is to develop recommendations that make Takoma Park a safer, more livable community for all residents, with an emphasis on addressing racial inequalities that exist in government and services evolving around public safety. This Task Force is our opportunity to bring new voices into the process as we take stock of what is working, what is not, and as we explore best practices in public safety.

REIMAGINING PUBLIC SAFETY

Purpose

The purpose of the Reimagining Public Safety Task Force is to develop recommendations that make Takoma Park a safer, more livable community for all residents, with an emphasis on addressing racial inequalities that exist in government and services evolving around public safety. In light of what is happening in our country, we believe that as a city, it is our duty to take inventory of our public safety practices, with emphasis on the experiences of our Black and Brown communities. This Task Force is our opportunity to bring new voices into the process as we take stock of what is working, what is not, as we explore best practices in public safety.

The Task Force is made up of 15 individuals sourced from our diverse community and approved by the City Council. The Task Force will meet regularly throughout the months of March, April, and May to create a set of recommendations on Public Safety.

The City of Takoma Park seeks the support of community members, non-profit leaders, local business owners, educators, etc., in Takoma

Rules of the Road

- *Enter with Curiosity. When things get difficult, turn to wonder. It is ok to ask clarifying questions.*
- *It's OK to disagree respectfully and openly, without being disagreeable.*
- *Mute your microphone, until you are about to speak.*
- *Use the raise hand feature or show hand in the camera when ready to speak.*
- *Use the chat as a space for gathering thoughts.*
- *Listen to understand, not to respond.*
- *Disagreement is encouraged, but being disagreeable (by behavior) is not.*
- *Stay mentally and physically present.*
- *Make it a brave space – fearlessly share ideas, ask questions, and contribute unconditionally.*
- *Respect each other's thinking and value everyone's contributions.*
- *Speak in "rough draft" - we are all learners.*
- *Bring your thoughtfulness to your responses by being concise so that others may have time to speak.*
- *Seek first to understand, then to be understood.*
- *Listen attentively to others...don't interrupt.*
- *Attack the problem, not the person.*
- *We are all contributors to the entire process.*
- *Use "I" statements.*
- *Assume good intentions.*
