

City of Takoma Park, Maryland

Memorandum

Weekly Update Call with NDC Staff

February 22, 2019

The Takoma Junction redevelopment plan is undergoing the County Development Review process now. The plan is scheduled for the Development Review Committee on March 19th. NDC clarified that they originally submitted the plan that Council had approved in July, 2018 but then submitted the smaller plan (the "by right plan") at the direction of the Montgomery Planning department.

NDC representatives will come to Takoma Park City Council to highlight the constants and the changes of the plan, tentatively scheduled for March 20.
