RE: WEEKLY UPDATE ON LETTER OF INTENT NEGOTIATIONS BETWEEN NDC AND THE TPSS CO-OP

DEAR MS. LUDLOW,

By this letter, Neighborhood Development Company (NDC) is providing an update on negotiations of a Letter of Intent (LOI) between NDC and the Takoma Park Silver Spring Co-op (TPSS) for the expansion of their existing operations.

Since our presentation to City Council we have reached back out to TPSS in hopes of further discussing the options presented and their preference moving forward, but have not received anything further from them. In the interim we have resumed our Community Consultation process and are looking to progress the project while we await further direction from TPSS.

Please feel free to follow up with any questions you may have.

Sincerely,

A handwritten signature in blue ink, appearing to read 'ADRIAN WASHINGTON', is written over a light blue circular stamp.
