

**COMMUNITIES OF INTEREST INCLUDED IN MAPS A AND B**

Community of Interest	Description	Contained within one ward in Map A	Contained within one ward in Map B	If both are no, why?
Long Branch Sligo	The "Between the Creeks" neighborhood, south of Carroll Ave., and between Sligo Creek and Long Branch Creeks	No	Yes	
Manor Circle	Manor Circle. This area, with Manor Circle condos, single family homes, and Manor apartments all off a one-way access, has been divided awkwardly between wards 2 and 3.	Yes	Yes	
WACO (Westmoreland Area Community Organization) - Definition 1	State border, Carroll Ave to the north, Ethan Allen Ave. to the east, New Hampshire to the south	No	Yes	
WACO - Definition 2	Boundaries: Carroll/Laurel & Elm on North Eastern to the west, 2nd Ave (Allegheny side)/parkland to the South, Allegheny to the East	No	Yes	
Pinecrest Neighborhood	Due to geography identify my neighborhood as Sligo Mill to Kansas (extending further west on cockerille and poplar to Spring Park which serves multiple neighborhoods. And Eastern to Poplar	Yes	Yes	
SS Carroll	Either side of Carroll Ave from Philadelphia Ave to Sligo Creek Pkwy	No	No	Carroll Ave. area has to be split into multiple wards for balance.
SOSCA - Definition 1	Sligo creek to the north, Takoma Junction to the South, New Hampshire Ave to the east, Carroll Ave to the West. This area is bounded by major roads and the creek.	No	No	Carroll Ave. area has to be split into multiple wards for balance.
SOSCA - Definition 2	The SOSCA (South of Sligo) area is much broader and less cohesive. That said, the core area that residents identify with is north of Ethan Allen from New Hampshire to Jackson, down to the creek.	Yes	Yes	
Ward 5 Isolated Blocks	One block of Garland/Greenwood are isolated from all other houses in W5 (& Greenwood belongs to Adventist).	Not added to Ward 2	Not added to Ward 2	Ward 5 needs more population.
Sherman Ave.	Both sides of Sherman Ave. There is a listserv for the length of Sherman Ave, and the neighborhood organizes neighborhood meetups based on the length of the street.	No	No	One block along Sherman Ave. <i>could</i> move to Ward 4 with the rest of the blocks, but the deviation would increase to 7.9%
Essex House	Essex House is physically distant from the nearest Ward 5 residence (on Maplewood and Maple). But it is next door to several other large apartment buildings on Maple Ave	Not added to Ward 4	Not added to Ward 4	Ward 5 needs more population.
Forest Park - Definition 1	Forest Park is viewed by many residents as south of Ethan Allen, west of New Hampshire, and above the large private school property off Conway; residents identify with the actual Park on Elm Ave at Prince Georges (but less so with upper Woodland).	No	Yes	
Forest Park - Definition 2	My community boundaries are NH Ave to the south and east, Ethan Allen Blvd to the North and Poplar to the west	No	Yes	
Grant Ave.	The length of Grant Ave between Maple and Carroll	No	No	This area has to be used to balance Ward 1 and Ward 4
Jefferson Ave./Lincoln Ave.	Jefferson, Lincoln between Maple and Carroll, and the section of Carroll on the north side closest to Jefferson	No	No	Ward 5 needs more population.
Spring Park Area	I would include Spring Park, the co-op, Sycamore Avenue, Urban Park and the gazebo.	Yes	Yes	
Opal A. Daniels Park Area	So for where I live, the most central part of the community is bounded by 410/Ethan Allen Ave, Maple Ave, and Sligo Creek	No	No	Carroll Ave. area has to be split into multiple wards for balance.
