

# Multifamily Building Improvement Grant

Unable to make the virtual info session on January 22? The recording and Slideshow are available online now!

## About the Grant

The City of Takoma Park is offering grants of up to \$250,000 for multifamily buildings between 3 and 30 units located in the City that are undergoing green building retrofits.

## Get Started!

Applications are now open!

Learn more from the January 22 info session on the City of Takoma Park website using the QR code below:
