Ballots Exhausted*			24			
Winning threshold by round	687			675		

* A candidate must receive a majority of valid votes to be elected. If no candidate reaches a majority of first choice votes, an instant runoff is triggered. The ballots marked first choice for candidate(s) with the fewest first choice votes are reviewed to see if they selected a second choice. If so, those ballots are redistributed to their second choice candidate. If their second choice is defeated or if they did not select a second choice, those ballots are declared “exhausted.”

City Council Ward 4			
Candidate	Votes	Percentage	Result
Seamens	559	97%	Elected
