**15.4.** All proprietary information furnished by Contractor in connection with this Agreement, but not developed as a result of work under this Agreement or under prior agreements between the City and Contractor, shall be held confidential by the City, and returned to Contractor within thirty (30) days of the completion of the services or the conclusion of litigation wherein Contractor's services were provided. All inventions, techniques, and improvements held by Contractor to be proprietary or trade secrets of Contractor prior to any use on behalf of the City, as well as all inventions, techniques, and improvements developed by Contractor, independent of the services rendered to the City under this Agreement, remain the property of Contractor.

## **SECTION 16. MISCELLANEOUS**

**16.1.** The recitals above are hereby incorporated into this Agreement.

**16.2.** If any term or provision of this Agreement or applications thereof to any person or circumstance shall, to any extent, be invalid or unenforceable, the remaining terms and provisions of this Agreement, or the application of such term or provision to persons or circumstances other than those as to which it is held or unenforceable, shall not be affected thereby, and each term and provision of this Agreement shall be valid and enforced to the fullest extent permitted by law.

**16.3.** This Agreement and any rights or obligations under this Agreement may not be assigned or subcontracted by Contractor without the prior written consent of the City and any attempted assignment or subcontracting without such prior written consent shall be void.

**16.4.** All representations, warranties, covenants, conditions, and agreements contained herein which either are expressed as surviving the expiration and termination of this Agreement or, by their nature, are to be performed or observed, in whole or in part, after the termination or expiration of this Agreement shall survive the termination or expiration of this Agreement.

**16.5.** This Agreement represents the entire and integrated Agreement between the City and Contractor and supersedes all prior negotiations, representations, or agreements, either written or oral. Notwithstanding any provisions to the contrary in any contract terms or conditions unilaterally supplied by Contractor, the terms of this Agreement supersede Contractor's terms and conditions, in the event of any inconsistency.

**16.6.** All section and paragraph captions, marginal references, and table of contents in this Agreement are inserted only as a matter of convenience, and in no way amplify, define, limit, construe, or describe the scope or intent of this Agreement nor in any way affect this Agreement.

**16.7.** Neither the City nor Contractor has made any representations or promises with respect to the Project except as expressly set forth herein.

**16.8.** The neuter, feminine, or masculine pronoun when used herein shall each include each of the other genders and the use of the singular shall include the plural.

**16.9.** This Agreement shall not be construed in favor or against either party on the basis that it was drafted by the City.

**16.10.** The waiver of any breach of this Agreement shall not be held to be a waiver of any other or subsequent breach. Any waiver by the City of a requirement of this Agreement, including without limitation, any requirement that a notice be made in writing or that a notice or submission be made within a certain time, shall not operate as a waiver of the same or any other requirement of this Agreement, in any other circumstance or at any other time.

**16.11.** This Agreement shall not confer any rights or remedies upon any person other than the Parties and their respective successors and permitted assigns.

**16.12.** Contractor agrees to perform its services under this Agreement in such manner and at such times that the City and/or any Contractor who has work to perform, or contracts to execute, can do so without unreasonable delay. Contractor further agrees to coordinate its work under this Agreement with any and all other contractors that may be deemed necessary by the City.

**16.13.** Contractor shall be considered, for all purposes relating to this Agreement, an independent Contractor. Contractor agrees that it is not an agent of the City and shall have no right or authority to enter into any agreements or otherwise bind the City or create any obligations on behalf of the City with any other parties. Nothing contained in this Agreement will be construed to create the relationship of employer and employee, principal and agent, partnership or joint venture, or any other fiduciary relationship between the City and Contractor.

**16.14.** This Agreement may be executed electronically and in counterparts. All such counterparts will constitute the same agreement and the signature of any party to any counterpart will be deemed a signature to, and may be appended to, any other counterpart. Executed copies hereof may be delivered by email and, upon receipt, will be deemed originals and binding upon the Parties hereto, regardless of whether originals are delivered thereafter.
